Sitting Bull An Epic Of The Plains By:

Sitting Bull Alexander B. Adams,1975 **Sitting Bull** Alexander B. Adams,1974 **The Biography Book** Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Sitting Bull Stanley Vestal,2014-12-17 If that is Long Hair I am the one who killed him White Bull the young nephew of Sitting Bull said when Bad Juice pointed out Custer s body immediately after the Battle of the Little Big Horn Yet it was Sitting Bull who acquired the notoriety and was paraded in Buffalo Bill s Wild West Show as the warrior who killed Custer But this new edition of Stanley Vestal s classic biography of the famous chief emphasizes that Sitting Bull s fame does not rest upon the death of Custer s five troops Had he been twenty miles away shooting antelope that morning he would still remain the greatest of the Sioux The stirring account of the death throes of a mighty nation and its leader is the story of the greatest of the Sioux and his struggle to keep his people free and united The Sioux were formidable warriors as attested to by men who fought against them like General Anson Mills who said They were the best cavalry in the world their like will never be seen again but they were up against an overwhelming tide of soldiers homesteaders and bureaucrats Sitting Bull fought long and hard and He was a statesman one of the most farsighted we have had but statesmanship could not prevail against such odds This powerful biography of Sitting Bull is brought to a new generation of readers in h a new and expanded edition for much new material had been added to the original edition published in 1932 that could not be disclosed while the informants were still living Sitting Bull is a moving account of the epic courage of one man in the face of his inevitable defeat as the last defender of his people s rights Professional Journal of the United States Army ,1973 American Frontiers

Gregory H. Nobles,1997 Now available in a paperback edition AMERICAN FRONTIERS is a perceptive account of this country s geopolitical developments and diverse frontier cultures With clarity and intellectual vigor Gregory H Nobles shows us not only the culture and social composition of the West but also the centuries of expansion and conquest all over the continent that created our nation as we know it today The Custer Reader Paul Andrew Hutton,2004 Here is Custer as seen by himself his contemporaries and leading scholars Combining first person narratives essays and photographs this book provides a complete introduction to Custer s controversial personality and career and the evolution of the Custer myth **A Patriot's History of the United States** Larry Schweikart,Michael Allen,2014-11-25 For the past three decades many

history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of dead white men. As a result, more emphasis is placed on Harriet Tubman than on George Washington, more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima, more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long overdue acknowledgment of America's true and proud history. [A Companion to Custer and the Little Bighorn Campaign](#) Brad D. Lookingbill, 2019-09-18. An accessible and authoritative overview of the scholarship that has shaped our understanding of one of the most iconic battles in the history of the American West. Combines contributions from an array of respected scholars, historians, and battlefield scientists. Outlines the political and cultural conditions that laid the foundation for the Centennial Campaign and examines how George Armstrong Custer became its figurehead. Provides a detailed analysis of the battle maneuverings at Little Bighorn, paying special attention to Indian testimony from the battlefield. Concludes with a section examining how the Battle of Little Bighorn has been mythologized and its pervading influence on American culture. *Military Review*, 1973. **The Plain Story of American History** John Spencer Bassett, 1916. *The Great Sioux Trail: A Story of Mountain and Plain* Joseph Altsheler, 2017-03-19. *Today Is a Good Day to Fight* Mark Felton, 2009-04-01. Blood, guts, dust, and hatred: the real history of the American West. *Today Is a Good Day to Fight* covers the period from the initial penetration of the region by settlers and prospectors in the 1840s until the end of the Indian Wars in the 1890s. It explains the history of white-Indian conflict from the military point of view, showing how the United States used its army to wage terrible wars of conquest upon Native American peoples in order to take the land from them and enrich the growing nation, and how the Indians never really stood a chance in trying to defend their homelands. Highlighting the fractious and bitter relations between tribes unable and unwilling to unite in time to stave off their common enemy, it tries to portray the utter bitterness of the conflict between white and Indian and how both sides resorted to increasingly foul acts of war and slaughter as the conflict progressed. A dirty, underhanded, and scrappy conflict, the outrages committed by both sides fuelled bitterness and resentment that still exists in America today. *Quarterly Review of Military Literature*, 1973. *The American Villain* Richard A. Hall, 2020-12-02. The American Villain Encyclopedia of Bad Guys in Comics, Film, and Television provides one go-to reference for the study of the most popular and iconic villains in American popular culture. Since the 1980s, pop culture has focused on what makes a villain a villain. The Joker, Darth Vader, and Hannibal Lecter have all been placed under the microscope to get to the origins of their villainy. Additionally, such bad guys as Angelus from *Buffy the Vampire Slayer* and Barnabas Collins from *Dark Shadows* have emphasized the desire for redemption in even the darkest of

villains Various incarnations of Lucifer Satan have even gone so far as to explore the very foundations of what we consider evil The American Villain Encyclopedia of Bad Guys in Comics Film and Television seeks to collect all of those stories into one comprehensive volume The volume opens with essays about villains in popular culture followed by 100 A Z entries on the most notorious bad guys in film comics and more Sidebars highlight ancillary points of interest such as authors creators and tropes that illuminate the motives of various villains A glossary of key terms and a bibliography provide students with resources to continue their study of what makes the baddest among us so bad *Biographical Books, 1950-1980* R.R. Bowker Company. Department of Bibliography,1980 *Sitting Bull* Ronald A. Reis,2010 Born in South Dakota in 1831 Sitting Bull was given his father s name after killing his first buffalo as a teenager Sitting Bull witnessed the downfall of his people s way of life after the California gold rush of 1849 and the opening up of the West by the railroad After he was wounded in battle his views hardened about the presence of whites in Sioux land He began to assume an uncompromising militancy that would characterize the rest of his life Developing into one of the most important of chiefs Sitting Bull was able to unite a multitude of Sioux bands and other tribes at his camp which continually expanded as the tribes sought safety in numbers It was this camp that General George Armstrong Custer found on June 25 1876 when he led the 7th Cavalry advance party to the Little Big Horn River Sitting Bull who had seen a vision of this attack during a tribal dance and his people were able to defeat Custer and his men but their victory was short lived as thousands more outraged soldiers pursued the Sioux forcing their surrender This brave warrior was finally brought down in 1890 by tribal police who had been sent to arrest him In Sitting Bull read about a man who refused to back down from his convictions even when they brought him face to face with the United States Calvary **Sitting Bull** S. D. Nelson,2015-11-03 An inspiring picture book biography of the Lakota Sioux warrior and chief Sitting Bull from award winning author and illustrator S D Nelson Sitting Bull c 1831 1890 was one of the greatest Lakota Sioux warriors and chiefs who ever lived He was eventually named war chief leader of the entire Sioux nation a title never before bestowed on anyone As a leader Sitting Bull resisted the United States government s attempt to move the Lakota Sioux to reservations for more than twenty five years From Sitting Bull s childhood killing his first buffalo at age ten to being named war chief to leading his people against the U S Army and to his surrender Sitting Bull Lakota Warrior and Defender of His People brings the story of the great chief to light Sitting Bull was instrumental in the war against the invasive wasichus White Man and was at the forefront of the combat including the Battles of Killdeer Mountain and the Little Bighorn He and Crazy Horse were the last Lakota Sioux to surrender their people to the U S government and resort to living on a reservation Award winning author and member of the Standing Rock Sioux tribe S D Nelson intersperses archival images with his own artwork inspired by the ledger art drawings of the nineteenth century Lakota Through the art and riveting story Nelson conveys how Sitting Bull clung to his belief that the Lakota were a free people meant to live hunt and die on the Great Plains **Sitting Bull Speaks** Brad Lookingbill,2025-09-22 Sitting Bull is arguably one of the best

known Native American leaders and his life has been extensively documented In *Sitting Bull Speaks* Brad Lookingbill doesn't aim to retell these familiar stories Instead he allows Sitting Bull to speak for himself Drawing from various archives and sources the book weaves a compelling and well researched narrative centered on Sitting Bull's own words and thoughts Lookingbill introduces each document with thoughtful commentary guiding the reader through the historical context Though the title *Sitting Bull Speaks* echoes that of Neihardt's classic *Black Elk Speaks* this work goes further by presenting an authentic account of Sitting Bull's voice It offers a deeper understanding not only of the man himself but also of the Lakota world in which he lived Rani Henrik Andersson University of Helsinki

[The Geological History of the United States: A Story of Continents, Oceans, and Life](#) Pasquale De Marco, 2025-05-09 The Geological History of the United States A Story of Continents Oceans and Life is a comprehensive overview of the geological history of the United States The book covers a wide range of topics from the formation of the North American continent to the present day The book is divided into ten chapters each of which covers a different geological period The chapters are The Formation of the North American Continent The Ice Ages The Great Plains The Rocky Mountains The Pacific Coast The Southwestern Desert The Eastern Woodlands The Southern Swamplands The Northern Forests The Future of the United States The book is written in a clear and concise style and it is illustrated with numerous maps and diagrams The book is also up to date on the latest scientific research The Geological History of the United States A Story of Continents Oceans and Life is an essential resource for anyone who wants to learn more about the geological history of the United States The book is also a valuable reference for students teachers and researchers Pasquale De Marco is a geologist with over 20 years of experience He has written numerous books and articles on the geology of the United States The Geological History of the United States A Story of Continents Oceans and Life is a must read for anyone who is interested in the geological history of the United States The book is also a valuable resource for students teachers and researchers If you like this book write a review on google books
