**Two Science Fiction Adventures** John Jakes, 2012-07-31 DIVTwo visions of the world gone mad from master storyteller John Jakes divDIV In *On Wheels* the United States has become so overpopulated that a tenth of its people have no home Instead they spend their lives on the highway With all of the dangers of the road dropping below forty miles per hour would mean certain death even for men like Billy Spoiler The clans of the open road spend their lives battling each other for control of the freeway and the Spoilers are no exception They never give up never pull over and never take their hand off the throttle divDIV divDIV On the colony world of *Six Gun Planet* cowboys ride robot horses In an effort to escape the corrupting influence of technology the people of this strange isolated world they call Missouri have reset the clock to 1880 building a civilization of main streets saloons and bordellos where it is always high noon Reluctant gunslinger Zak Randolph thinks the whole set up is ridiculous but he goes along with it because there s good money in playing the part of a western hero When notorious gunslinger Buffalo Yung challenges him to a duel though Zak gets serious Missouri s horses may be fake but its bullets are definitely real divDIV divDIV This ebook bundle features an illustrated biography of John Jakes including rare images from the author s personal collection div      **The Bold Frontier** John Jakes, 2012-07-10 Stories of the American West by the 1 New York Times bestselling author of *North and South* the best historical novelist of our time Patricia Cornwell In these timeless stories of the untamed American West John Jakes thrillingly portrays the harsh realities of life on the frontier with tales of lawmen in the Sierra Nevada railroad workers in Kansas and gamblers on the steamboat *River Queen* From a saloon showdown unlike any other and outlaws double crossing each other to a fur trapper hell bent on vengeance and a power struggle between medicine men Jakes s frontier stories capture the same sweeping historical drama and unforgettable characterizations as his epic novels in the *Crown Family Saga* the *Kent Family Chronicles* and the *North and South Trilogy* At the very heart of every Jakes saga is a story that throbs to the beat of history **The Cleveland Plain Dealer** This ebook features an illustrated biography of John Jakes including rare images from the author s personal collection      *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1973      **Nature & Science on the Pacific Coast** , 1915      *Playing Cowboys* Robert Murray Davis, 1992 In *Playing Cowboys* Robert Murray Davis examines the Western hero a principal image of American manhood since publication of *The Virginian* as portrayed by a variety of post World War II novelists and filmmakers Innovative artists have used the Western to discuss issues of ethics and aesthetics but its greatest impact may have been on

popular cultural values Davis shows that the Western is not primarily about escape or violence but at its best is about development The would be hero adopts the existing role only to find it inadequate and forced to reimagine himself he defines the Western hero anew At the core of this process is strength not power over others but courage to go beyond the established boundaries Although women do appear in the Western often as proponents of civilization it is fundamentally a man s world offering an important view of male identity Focusing on The Virginian chapter 1 explores the origin of the Western hero and the source of the genre s major plots and issues Chapter 2 evaluates history myth and the relative reality of the two in the works of Oakley Hall Citing the novels of Richard Brautigan E L Doctorow John Hawkes and Michael Ondaatje chapter 3 compares the Western and the gothic novel focusing on the concept of space These works portray the West as a wasteland devoid of any vitality but chapter 4 takes up science fiction Westerns including works by John Jakes John Boyd and Robert Sheckley that use the Western frontier to ironic and liberating effect Chapter 5 on the motion picture Blazing Saddles and the postmodern Western novels of Ishmael Reed and Alvin Greenberg examines the role playing by which identity is created And in his Preface Introduction and Epilogue Davis frames these discussions with personal observations on the West and its relation to the American masculine mystique For those interested in Western movies or novels popular culture gender studies or literary criticism Playing Cowboys is a unique and indispensable guide to the territory from here to the sunset
