Sixties In Bristol:

The Sixties in Bristol James Belsey,1989 Youth Culture in Modern Britain, c.1920-c.1970 David Fowler,2008-09-30
This book traces the history of youth culture from its origins among the student communities of inter war Britain to the more familiar world of youth communities and pop culture Grounded in extensive original research it explores the individuals institutions and ideas that have shaped youth culture over much of the twentieth century *Westland and the British Helicopter Industry, 1945-1960* Matthew R.H. Uttley,2014-05-22 This study explains how Westland dominated British helicopter production and why government funding and support failed to generate competitive all British alternatives In doing so the book evaluates broader historiographic assumptions about the purported failure of british aircraft procurement during the early post war period and considers the scope and limitations of licensed production as a government mandated procurement strategy *Sixty Years of Airfix Models* Jeremy Brook,2015-06-30 The best known and most important manufacturer of plastic model kits in the UK Airfix has been at the forefront of the industry since 1955 when the first Airfix aircraft kit appeared in UK branches of Woolworth s The kits were made to a constant scale and covered a wide variety of subjects from aircraft to birds and from tanks to dinosaurs In 1981 the famous London based company closed down and only the kits survived intact For the next twenty five years Airfix was run by Palitoy and later Humbrol but suffered from a lack of investment In 2006 Hornby Hobbies Ltd the train and Scalextric manufacturer bought the ailing company and transformed it Money and resources were ploughed into the range and today Airfix releases around twenty new kits per year designed to an incredibly high standard The old kits of the 1950s and 1960s are gradually being replaced by new state of the art tooling all bearing that most prestigious name Airfix Published to coincide with the sixtieth anniversary of the first Airfix aircraft kit *Sixty Years of Airfix Models* tells the full story year by year of the company and its products Illustrated throughout with colour photographs of kits box art and completed models **Sixty Years of Music** Edward Algernon Baughan,1897
