The Costume Technician's Handbook Rosemary Ingham,Liz Covey,2024-03-11 Since its first publication in 1980 The Costume

Technician's Handbook has established itself as an indispensable resource in classrooms and costume shops Ingham and Covey draw on decades of hands on experience to provide the most complete guide to developing costumes that are personally distinctive and artistically expressive No other book covers the same breadth of necessary topics for every aspect of costuming from the basics of setting up a costume shop to managing one and everything in between The Rolling Stones Helmut Staubmann,2013-06-03 The Rolling Stones Sociological Perspectives edited by Helmut Staubmann draws from a broad spectrum of sociological perspectives to contribute both to the understanding of the phenomenon Rolling Stones and to an in depth analysis of contemporary society and culture that takes The Stones a starting point Contributors approach The Rolling Stones from a range of social science perspectives including cultural studies communication and film studies gender studies and the sociology of popular music The essays in this volume focus on the question of how the worldwide success of The Rolling Stones over the course of more than half a century reflects society and the transformation of popular culture The Films of Jack Chambers Kathryn Elder,2002-11-08 Essay contributors include Stan Brakhage Fred Camper Jack Chambers R Bruce Elder Avis Lang Sarah Milroy Bart Testa Peter Tscherkassky Ross Woodman and Michael Zyd Published by Cinematheque Ontario Distributed in Canada by Wilfrid Laurier University Press Distributed outside Canada by Indiana University Press **The Poetry of Thom Gunn** Stefania Michelucci,2008-12-24 Thom Gunn served as a mouthpiece for his time illustrating the social cultural and historical transformations that have characterized western civilization from World War II until today Starting with theoretical premises drawn from philosophy anthropology and sociology this work examines Thom Gunn's entire poetic career In Gunn's early poetry the author argues the predominant theme is the desire for freedom from the painful prison of the intellect and from the masks that the individual feels compelled to wear even in his sexual relationships In Gunn's later poetry the author notes a gradual opening to human relationships and to Nature which is also Gunn's vindication and reevaluation of his own nature and the liberation of his long repressed and hidden homosexuality **Photography and the Non-Place** Jim Brogden,2019-01-31 This book presents a critical and aesthetic defence of non place as an act of cultural reclamation Through the restorative properties of photography it re conceptualises the cultural significance of non place The non place is often referred to as wasteland and is usually avoided The sites investigated in this book are located where access and ownership are often ambiguous or in dispute they are places of cultural forgetting Drawing on the author's own photographic research led practice as well as material from photographers such as Ed Ruscha Joel Sternfeld and Richard Misrach this study employs a deliberately allusive intertextuality to offer a unique insight into the contested notions surrounding landscape representation Ultimately it argues that the non place has the potential to reveal a version of England that raises questions about identity loss memory landscape valorisation and perhaps most importantly how we are to arrive at a more meaningful place London and Londoners in the Eighteen-fifties and Sixties Alfred Rosling Bennett,1925 **London Eyes** Gail Cunningham,Stephen Barber,2007-12-01

London incessantly generates and incites cultural responses pre eminently in the interconnected domains of literature and film This book demonstrates that those responses have been sustained as vital experiments and engagements in configuring the city and its inhabitants Including essays by prominent cultural literary and film historians this volume forms an original and incisive contribution to ongoing debates about the city s intricate cultural history and its construction through both language and image as a crucial site of identity desire exile and displacement *London's New Scene* Lisa Tickner,2020-07-07 A groundbreaking and extensively researched account of the 1960s London art scene In the 1960s London became a vibrant hub of artistic production Postwar reconstruction jet air travel television arts programs new color supplements a generation of young artists dealers and curators the influx of international film companies the projection of creative Britain as a national brand all nurtured and promoted the emergence of London as a new capital of art Extensively illustrated and researched this book offers an unprecedented rich account of the social field that constituted the lively London scene of the 1960s In clear fluent prose Tickner presents an innovative sequence of critical case studies each of which explores a particular institution or event in the cultural life of London between 1962 and 1968 The result is a kaleidoscopic view of an exuberant decade in the history of British art
