Sixty Years The Rcaf And Cf Air Command 19241984:

Sovereignty and Command in Canada-US Continental Air Defence, 1940-57 Richard Goette, 2018-07-09 The 1940 Ogdensburg Agreement entrenched a formal defence relationship between Canada and the United States But was Canadian sovereignty upheld Drawing on untapped archival material Sovereignty and Command in Canada US Continental Air Defence 1940 57 documents the close and sometimes fractious relationship between the two countries Richard Goette challenges prevailing perceptions that Canada s defence relationship with the United States eroded Canadian sovereignty He argues instead that a functional military transition from an air defence system based on cooperation to one based on integrated and centralized command and control under NORAD allowed Canada to retain command of its forces and thus protect Canadian sovereignty Goette combines historical narrative with conceptual analysis of sovereignty command and control systems military professionalism and civil military relations In the process he provides essential insights into the Royal Canadian Air Force s paradigm shift away from its Royal Air Force roots toward closer ties with the United States Air Force and the role of the nation s armed forces in safeguarding its sovereignty *Canadian Warbirds of the Biplane Era* Harold A. Canada's Air Force David J. Bercuson,2024-10-17 The Royal Canadian Air Force RCAF was founded in 1924 as a sort of federal air service carrying out civilian type operations for Ottawa In the Second World War the RCAF grew to more than 200 000 personnel in overseas squadrons and performed virtually every type of mission including bombing and hunting submarines Over the decades since the RCAF has tried valiantly to carry out its mission of defending Canada even when starved of funds by the federal government Today it is once again on the verge of becoming a modern well equipped air force In Canada s Air Force historian David J Bercuson shares the history of the first one hundred years of the Royal Canadian Air Force from its inception in 1924 to its centennial in 2024 Drawing on memoirs diaries unpublished histories archival sources interview transcripts and standard reference works such as The Bomber Command War Diaries Bercuson traces the history of the RCAF as not only a fighting force but also a human institution Canada s Air Force analyses the first
