**Daniel T. Reese and the Prophet King** Jesse Edward Corrales, 2017-05-05 In his latest book Daniel T Reese and the Prophet King author Jesse Edward Corrales calls the reader on a journey that challenges modern ideology of the life of a young Jesus Christ The author of Brothers Mine As Told by Lucifer Uriah Earth Second Time and South of Baton Rouge among other titles builds on the known details of Jesuss youth and the imaginatively expands them by introducing twelve year old Daniel T Reese into the mix One day during summer vacation Daniel and a group of his friends are enjoying the day by skateboarding in their neighborhood When Daniel attempts to jump a curb he soon finds himself taking flight His injuries include trauma to the head and the young boy lapses into a coma leaving his family friends and doctor concerned about when he will wake up Unbeknownst to his loved ones Daniel does awake from his coma but in the middle of a busy road in Nazareth A concerned man named Joseph encourages the boy to retreat before a fast approaching wagon pulled by a donkey runs him over Once he is safe a confused Daniel thanks Joseph The boy doesnt remember how he got to Nazareth and has trouble recalling many details about his life Joseph takes him home to his family and offers Daniel a place there until he

regains his memory He introduces Daniel to his wife Mary his daughter Salome and his sons Jesus and James The friendship that Daniel forms with Jesus who is also twelve is the core of the story As children are prone to do Daniel and Jesus teach each other games Daniel introduces Jesus and his friends to baseball and the Nazarene children teach Daniel their version of football and unfamiliar words However unlike most childhood friendships Daniel and Jesus's relationship involves contemplation of Jesus's message that people should take care of each other and forgo judgment He shares this message not only with the elders in the Temple of Jerusalem but also with groups of children in Nazareth and wandering desert people who camp outside of the village Corralez presents Jesus as a quiet mild mannered boy but also as a budding young man who is inquisitive and determined His sense of purpose and desire to share lessons of love are so strong even Daniel who suffers from side effects of his brain injury throughout the story feels that he knows something of Jesus from the life that he cannot fully recall The juxtaposition of the happy go lucky Daniel and the serious but adventurous Jesus offers the reader a lighter view of Jesus that fleshes out his humanity Daniel T Reese and the Prophet King expresses a message of basic kindness that does not require adherence to any specific religion but simply a full acknowledgement of one's humanity Telling the story of the young prophet king through the perspective of children does not soften the message of the golden rule instead it deepens that message and encourages even the oldest among us to open our hearts to this fundamental approach to life Melissa

Snyder, 2017-12-05 Inside the complex and misunderstood world of professional street skateboarding On a sunny Sunday in Los Angeles a crew of skaters and videographers watch as one of them attempts to land a heel flip over a fire hydrant on a sidewalk in front of the Biltmore Hotel A staff member of the hotel demands they leave and picks up his phone to call the police Not only does the skater land the trick but he does so quickly and spares everyone the unwanted stress of having to deal with the cops This is not an uncommon occurrence in skateboarding which is illegal in most American cities and this interaction is just part of the process of being a professional street skater This is just one of Gregory Snyder s experiences from eight years inside the world of professional street skateboarding a highly refined athletic and aesthetic pursuit from which a large number of people profit Skateboarding LA details the history of skateboarding describes basic and complex tricks tours some of LA s most famous spots and provides an enthusiastic appreciation of this dangerous and creative practice Particularly concerned

with public spaces Snyder shows that skateboarding offers cities much more than petty vandalism and exaggerated claims of destruction Rather skateboarding draws highly talented young people from around the globe to skateboarding cities building a diverse and wide reaching community of skateboarders filmmakers photographers writers and entrepreneurs Snyder also argues that as stewards of public plazas and parks skateboarders deter homeless encampments and drug dealers In one stunning case skateboarders transformed the West LA Courthouse with Nike s assistance into a skateable public space Through interviews with current and former professional skateboarders Snyder vividly expresses their passion dedication and creativity Especially in relation to the city s architectural features ledges banks gaps stairs and handrails they are constantly re imagining and repurposing these urban spaces in order to perform their ever increasingly difficult tricks For anyone interested in this dynamic and daunting activity Skateboarding LA is an amazing ride
