
By **EDGAR LEE MASTERS**

Author of *"Mitch Miller," "Spoon River Anthology,"*
"Children of the Market Place," etc.

SKEETERS KIRBY

THE many readers of "Mitch Miller" will need no introduction to "Skeeters Kirby," that delightful companion of Mitch's boyhood.

Here in his new book Mr. Masters follows Skeet's career from the Mitch period through his young manhood. He is not writing of boys and boy problems but of those later days when the world is opening up to youth, eager to drink to the full of the cup of experience, and keen for new and fresh encounters. Skeet is anxious to make the most of life, of business—and of love. He is eager to find beauty . . . and he looks for it sometimes in strange ways and stranger places. It is a remarkable character that Mr. Masters gives us, and the story of his life and love is not only interesting, but will be found to contain much significant comment on our present social structure.
