Spiritual Aggressiveness Zacharias Tanee Fomum, 2016-07-12 Burdened with the need for competent and aggressive workers in the field for a growing work Professor Zacharias Tanee Fomum gave these talks on SPIRITUAL AGGRESSIVENESS to about 250 leaders from eight nations during a leadership training course This course which was on Spiritual Leadership in the Pattern of Joshua took place in Lagos Nigeria during a period of five days from Wednesday 14th to Sunday 18th August 1996 In this book Professor Fomum covers topics like Greatness through might in character and might in deeds Breaking new barriers with total violence Marriage to hardwork Team work Radical holiness for spiritual service Aggressive servanthood Bleeding pursuit of God and many others The messages are written just as they were spoken having been compiled from notes taken during the course with very limited editing by the author They have maintained their freshness and sharpness Contributions from various workers from the field make this book a very practical book on missions Read it You will be blessed You will be challenged to become the type of leader that is needed for the Lord's flock on the eve of His imminent return *The Interrogation of Joan of Arc* Karen Sullivan, 1999 The transcripts of Joan of Arc's trial for heresy at Rouen in 1431 and the minutes of her interrogation have long been recognized as our best source of information about the Maid of Orleans Historians generally view these legal texts as a precise account of Joan's words and by extension her beliefs Focusing on the minutes recorded by clerics however Karen Sullivan challenges the accuracy of the transcript In

The Interrogation of Joan of Arc she re reads the record not as a perfect reflection of a historical personality s words but as a literary text resulting from the collaboration between Joan and her interrogators Sullivan provides an illuminating and innovative account of Joan s trial and interrogation placing them in historical social and religious context In the fifteenth century interrogation was a method of truth gathering identified not with people like Joan who was uneducated but with clerics like those who tried her When these clerics questioned Joan they did so as scholastics educated at the University of Paris as judges and assistants to judges and as pastors trained in hearing confessions The Interrogation of Joan of Arc traces Joan s conflicts with her interrogators not to differing political allegiances but to fundamental differences between clerical and lay cultures Sullivan demonstrates that the figure depicted in the transcripts as Joan of Arc is a complex multifaceted persona that results largely from these cultural differences Discerning and innovative this study suggests a powerful new interpretive model and redefines our sense of Joan and her time *Defender of the Faith* Ray Comfort,2023-04-20

aesthetic ideological intellectual and economic practices Buettner focuses on three significant categories of art the jeweled crown the pictorialized lapidary and the illustrated travel account The global gem trade brought coveted jewels from the Indies to goldsmiths workshops in Paris fashionable bodies in London and the crowns of kings across Europe and Buettner shows that Europe's literal and metaphorical enrichment was predicated on the importation of gems and ideas from Byzantium the Islamic world Persia and India Original transhistorical and cross disciplinary The Mineral and the Visual engages important methodological questions about the work of culture in its material dimension It will be especially useful to scholars and students interested in medieval art history material culture and medieval history
