So Great A Faith:

A Great Faith Described and Inculcated Isaac BACKUS,1805 **The Five Books of Quintus Sept. Flor.**
Tertullianus Against Marcion Tertullian,1868 **The Seven Laws of Faith** Michael Paul,2016-10-24 In our faith journeys we need direction to achieve our desired goals The Seven Laws of Faith provides a step by step approach to understanding our journeys growing in knowledge and achieving desired ends Faith is often taken for granted and in many respects can be seen as events and instant solutions to problems The Seven Laws of Faith shows the essence of relationships and is expressed in worship and service We can move from having faith in God to having the faith of God and exercising the power and authority that He generously gives Faith can only grow through belief love worship and service This is the dynamic faith that can move mountains *It Won't Fail If it is Faith!* Samuel O. Joseph-Israel,2014-05-13 Nigerian author Samuel O Joseph Israel writes in his book It Won t Fail if it is Faith that faith is the cornerstone to reaching God s realm The book examines the very core and fundamentals of new creation reality as it regards spiritual rebirth Travel through the world of faith by exploring its many sides The four ingredients of faith are NOW SUBSTANCE HOPE and EVIDENCE Learn how to use your evidence to keep your hope alive God uses disbelievers to test our faith The enemies of faith are unbelief doubt fear anxiety unforgiveness other sins the devil s faith and dead faith The Holy Spirit was the inspiration for the book There is a realm called God s realm It is heaven s atmosphere conducive to only heaven s citizens and accessible only through faith So many have tried to gate crash into this realm but it has always proven illusive Many thought they were in the realm until they realized they couldn t find God Access to the spiritual realm is not through prayer but through faith Faith is the vehicle that drives your prayers to God A prayer that disregards faith will not reach God It is important to remember that you are also a spirit and the spiritual realm is not tangible to the physical eye In the same way faith is also not tangible to the physical eye Through faith we can access the things freely given to us and can cause their manifestation If that thing you are holding on to is faith in God then don t drop it hold on For it won t fail you if it is faith This book takes you through the world of faith by exploring its many sides so redirect your focus and explore the pursuit of wisdom by understanding the concepts of big faith small faith or little faith The enemies of faith are unbelief doubt fear anxiety unforgiveness other sins the devil s faith and dead faith Samuel O Joseph Israel is the General Coordinator of the Dominion Armies of God Ministry and currently pastor the Faith City Church of the Ministry in Dallas Texas United States of America Publisher s website <http://sbprabooks.com> SamuelOJosephIsrael Author s website <http://dominionarmiesofgod.org> and www.faithcity.org **Institutes of the Christian Religion** John Calvin,2021-11-25 This book is an inspiration to a new form of Christian life for many It was published in 1536 in Latin and revolutionized the Christian world It became one of the books that laid the basis for the establishment of Protestant churches In the book Calvin strongly criticizes what he believes are unorthodox teachings and the policy of the Catholic Church The book considers the knowledge of God the Creator and the creation of a man He also speculates on the

Notes on Matthew to 2Corinthians G. Campbell Morgan,2024-06-23 This a collection of commentaries written by G Campbell Morgan These include Matthew Mark Luke John Acts Romans 1Corinthians and 2Corinthians This is different from his Analysed Bible Through he had no formal training for the ministry G Campbell s devotion to studying of the Bible made him one of the leading Bible teachers in his day His reputation as preacher and Bible expositor grew throughout England and spread to the United States These commentaries are the culmination of his study of God s Word Christ's Kingdom Commission David J. Andersen,2019-07-17 How should the Church respond to an increasingly antagonistic government What should be our biblical responsibility Weapon number one in the apostolic arsenal against evil government policies was prayer not sabotage lobbying boycotts protests or other forms of political agitation Furthermore what Paul sought from God was not the destruction of Nero and his government but his well being and specifically his salvation Paul made such prayer a mandate for the whole church First of all then I urge that entreaties and prayers petitions and thanksgivings be made on behalf of all men for kings and all who are in authority so that we may lead a tranquil and quiet life in all godliness and dignity This is good and acceptable in the sight of God our Savior who desires all men to be saved and to come to the knowledge of the truth 1 Timothy 2 1 4 This book skillfully unpacks and carefully examines that mandate and its implications After several decades of failed evangelical attempts to influence culture by political means here is a better way It is the biblical answer to the question of what the church s duty is with respect to hostile governments and anti Christian rulers I m thankful for the painstaking work David Andersen has done on this project I know you will be challenged blessed and encouraged as you read John MacArthur The Confession of faith; the Larger and Shorter catechisms, with the Scripture-proofs at large: together with the Sum of saving knowledge [&c.].
