Long Winter Rachel Ember, 2021-02-19 It's been a long cold winter at Riverside Ranch where Robbie has lived alone since his brothers moved away Alone that is except for his three devious cats four saddle horses and the forty eight mustangs that roam the ranch Robbie is preparing for yet another snowfall when he gets the last call he expected a plea to pick up Lance Taylor from the county jail Lance wasn't just his little brother's best friend he was a part of the family Then one night after Lance asked Robbie for something Robbie couldn't give he ran away and never came back Lance was sixteen and heartbroken when he left his middle of nowhere hometown Six years later he's at rock bottom with nowhere else to go and no one to turn to but Robbie the man Lance has been inconveniently in love with for most of his life When Robbie offers Lance a place to stay Lance expects a guest bedroom and awkward silences Instead he finds himself sharing Robbie's one room hayloft apartment and its single bed while realizing that the old flame he carries for Robbie might not be so hopeless after all Long Winter is the first book in the Wild Ones series and has a happy for now ending Robbie and Lance's story continues in Signs of Spring Praise for Long Winter What a beautifully written story this is There is an effortless elegance to Rachel Ember's prose that I found myself sinking blissfully into like a relaxing Sunday drive or horseback ride as it were Robbie and Lucas are perfectly imperfect their past complicated and their desire a slow burn destined to ignite They breathed from the page and the setting was so real I felt like I could go to the ranch right now and see all of them I will definitely be reading more from this author L C Chase author of Pickup Men Long Winter is a gorgeously detailed realistic contemporary drama full of angst and longing and set in the backdrop of a rural Nebraskan town in winter A self-styled city boy Lance returns to his home town after the fallout from an abusive relationship with no one else to turn to other than his childhood crush modern day cowboy rancher Robbie Hot enough to warm your cold winter's night and threaded through with tender and sometimes painful childhood memories Recommended for people who like realistic character driven stories with a heavy emotional current running throughout KP Maxwell author of The Problem Client An enchanting and heartwarming novel with strong themes of family love and a long overdue second chance for two flawed but utterly lovable men The setting was beautifully evocative from the winter scenes to life on the ranch to the wild horses that watch over it all I sank totally into the read and can't wait for the next book from this author Stella Shaw author of Dante The Big Book of Classics for the Long Winter Selma Lagerlöf, Charles Dickens, Mark Twain, Harriet Beecher Stowe, Martin Luther, William Shakespeare, Henry Wadsworth Longfellow, Max Brand, William Wordsworth, Carolyn Wells, Sophie May, Louisa May

After a Long Winter's Sleep Dr. Michael Bunch, 2025-03-26 Over the course of our walk with the Lord we inevitably experience many ups and downs Eventually there will come a time when we feel remote from the Lord and even at times as if we have been abandoned by Him This is far from the truth As we struggle walk run stumble and fall He is right there at our side Even when the darkness surrounds us so completely that we can see nothing except the impending doom within the darkness He is there In those times He carries us when we feel that we cannot endure anymore He wraps us in His loving arms showers us with His Shekinah glory and bathes us in His compassion This gives us renewed strength to continue to struggle on to the ultimate victory These dark moments are not pleasant but they are essential to our growth into what the Lord has planned for us to become I as the author of this book hope that at least one or more of these short stories will touch you during one of the inevitable dark moments and remind you that you are a precious child of the Lord and He has you firmly by the hand as He

guides you forward to the fulfillment of your walk in Christ Long Winter Gone Terry C. Johnston,2010-09-01 In the first volume of this saga of George Custer the infamous general takes a lover among the Indians captured in his long winter campaign against the Cheyenne risking marriage reputation and career for her **Tales for a Long Winter's Night** Judith Simpson,2003-12 Tales for a Long Winter s Night is a delightful collection of stories well suited for snuggling into a cozy armchair in front of a roaring fire on a long winter s night The stories take you from sunlit winter wonderlands to the darkest corners of the human heart You can sail tropical waters ford a creek in the Appalachian Mountains or ride a dark and dangerous canyon with a headless ghost There is love lost and love found action and adventure and heart pounding fear awaiting you Sit by your fire and enjoy the magic of Tales for a Long Winter s Night **The Long Winter** Paul L. Physical Geology** Alexander Henry Green,2024-06-11 Reprint of the original first published in 1876 The Family friend [ed. by R.K. Philp]. Robert Kemp Philp, Crave for light Aimar Rollan,2019-10-25 For the Sufis there is no greater punishment than to feel nostalgic for being separated from the source nor greater reward than to feel attached to it Thus the emotion that predominates in this work is nostalgia and its consequent yearning to break free from it and merge into Unity This is the story of a fall a loss a recovery and an ascension It is the story of a search for

light from the deepest darkness It is written in poetic prose with brief fragments independent of each other which can be read in isolation but that have a certain cohesion since each fragment carries or craves a little more light than the previous one It is about a man who has lost his light but who harbors a faint flash of memory of her That transience tortures his mind and makes him embark on a path of ascension to recover that precious treasure It goes through all phases of depression sadness and melancholy rejoicing in its loss In the initial phases he identifies that lost light with the love of a woman with the love of many women who are one for him and the loss of that love is the germ of his melancholy As he progresses in his tribulation he recognizes that this yearned light belongs to something more subtle and deep to the realm of his soul He recognizes that emotional pain comes from feeling separated from the primordial source This work is written in a somber language but in its background aims to convey beauty hope and joy **Tales Until Dawn** Joe Neil MacNeil, John

Shaw, 1987-07-01 MacNeil also describes his early years in a Gaelic speaking rural community where story telling is still a basic element of community life He explains how he learned the tales and the customs and practices associated with their telling He also introduces us to the families and individuals who were custodians of the tales John Shaw's introduction outlines the informant's tradition and its place in the world of the European story teller The commentaries of MacNeil and Shaw the tales the games and the other folk material offer a rich and unique perspective on the Gaelic culture generally and as it has developed on Cape Breton Island in particular **The City and Its Uncertain Walls** Haruki Murakami, 2025-09-09 NEW YORK TIMES BESTSELLER A GLOBE AND MAIL BEST BOOK OF THE YEAR A REAL SIMPLE BEST BOOK OF THE YEAR From the author of Norwegian Wood and Hard Boiled Wonderland and the End of the World comes a love story a quest an ode to books and to the libraries that house them and a parable for our peculiar times Haruki Murakami invented 21st century fiction The New York Times More than any author since Kafka Murakami appreciates the genuine strangeness of our real world San Francisco Chronicle Murakami is masterful Los Angeles Times When a young man's girlfriend mysteriously vanishes he is heartbroken and determined to find the imaginary town where he suspects she has taken up residence Thus begins a lifelong search that takes the man into middle age to a job in a remote library with mysteries of its own and on a journey between the real world and this otherworld a shadowless city where unicorns roam and willow trees grow There he finds his beloved working in a different library a dream library But she has no memory of their life together and as the seasons pass and the man grows more uncertain about the porous boundaries between these two worlds he must decide what he is willing to lose A love story a quest an ode to books and to the libraries that house them The City and Its Uncertain Walls is a parable for these strange times and singular and towering achievement by one of modern literature's most important writers Truth is not found in fixed stillness but in ceaseless change movement Isn't this the quintessential core of what stories are all about Haruki Murakami from the afterword **Everyday Life Science Mysteries** Richard

Konicek-Moran, 2013 How do tiny bugs get into oatmeal What makes children look like or different from their parents Where

do rotten apples go after they fall off the tree By presenting everyday mysteries like these this book will motivate your students to carry out hands on science investigations and actually care about the results These 20 open ended mysteries focus exclusively on biological science including botany human physiology zoology and health The stories come with lists of science concepts to explore grade appropriate strategies for using them and explanations of how the lessons align with national standards They also relieve you of the tiring work of designing inquiry lessons from scratch What makes this book so special is the unique way science is integrated into the story line using characters and situations children can easily identify with Page Keeley author of the NSTA Press series Uncovering Student Ideas in Science **Gardener's Monthly and Horticultural Advertiser** ,1865 Journal of Horticulture and Practical Gardening ,1855 **"A" True Relation of the Holy War Made by King Shaddai Upon Diabolus** John Bunyan,1865 **Polished Stones** Elizabeth Wesley,2011-12-08
