of prejudices And the public bandwagons are always a strong deciding factor in a murder trial They don t know my struggles or pain They don t know about the fear that I had to deal with but yet they judge I sit here in my prison cell with no fancy carpeting just cold walls and damp floors No exquisite dining just a quickly put together tray I have no friends just parents The inmates aren t so bad most of them have in house bets going with the guards The wager is on my verdict whether im guilty or not guilty Inmates ask me all the time if I could would I take it all back I just reply with a dense smile and a warm look but nothing more I know that I would never take what I did to him back ever He deserved everything that I did to him and more He had me fooled He had everyone fooled except for Nikki Deep in my heart I knew she was right So many issues I felt uncomfortable with but yet I continued I chose not to listen not to take a stand and I paid the price I have been quiet drowning for so long but now NOW it s my turn It s time for me to tell the story and for everyone else to listen The Covenant Jeff Gulvin,2013-05-14 The Scotland Yard Detective and FBI Agent trace a link between an alt right militia and the CIA s hunt for Osama bin Laden in this pre 9 11 thriller A CIA agent hunts Osama bin Laden in Afghanistan A female sergeant is assassinated in London A Japanese terrorist is detonating bombs across Washington DC And in Texas a serial killer is murdering transients who ride the rails until either by mistake or design an ill fated English tourist is counted among the victims Scotland Yard s top anti terrorism expert Jack Swann and his friend FBI Special Agent Johnny Harrison are about to find a frightening connection between these seemingly random events A secessionist militia in America s heartland is amassing an army for a coming civil war calculated to divide and destroy the United States And their next two targets are the only two men who can stop the explosive plan from going off Written before the events of September 11 The Covenant is a prescient view of international politics espionage terrorism and the rise of the alt right in the twenty first century Jeff Gulvin s extensive research and contacts within the FBI and London s Special Branch bring unerring authenticity to his Jack Swann novels Nom de Guerre and Storm Crow which New York Times bestselling author Jack Higgins called absolutely marvelous One of the best thrillers I ve read this year So You Want to Build a Little Log Cabin in the Woods?
