So You Want To Be A Magician:

So You Want to be a Magician? Laurence B. White, 1972 Instructions for performing a variety of magic tricks and presenting them to an audience *So You Want to be a Magician!* Little Johnny Jones, 1939 *Kingdom of Magicians (free epic fantasy/sword and sorcery)* Timothy L. Cerepaka, 2016-10-30 A thousand years ago the Good King rose and defeated the demons that had oppressed his people for centuries After his final victory he imprisoned the demons deep beneath the earth with a seal that will hold so long as his descendants hold the throne Unfortunately every dynasty comes to an end And as time went on people forgot about the demons treating them as nothing more than scary tales meant to frighten disobedient children And when the last king was killed and left no heir to succeed him the once proud Kingdom of Lamaira splintered into three factions that have fought for decades in their attempt to conquer what is left of the kingdom Without a king on the throne the demons will rise again and destroy the people of Lamaira And when twenty three year old swordsman Keo kills a demon in the woods he realizes that the demons are returning To prevent the demons return Keo must travel to the capital of his country to show the country's rulers the proof of the demons return so they can prepare for the ancient threat Keo must fight robbers demons and other threats on his way to the capital but little does he know that there exists a traitor among the leaders who threatens to destroy the country from the inside **KEYWORDS** epic fantasy adventure series epic fantasy dragons epic fantasy magic epic fantasy sword and sorcery sword and sorcery adult fantasy sword and sorcery series sword and sorcery series magic **The Process of Magic** Taylor Ellwood, 2018-06-05 Learn how magic works and how to get consistent results There are lots of books about magic but how many of them actually explain how magic works or more importantly how to get a consistent result that meaningfully changes your life The Process of Magic strips away the glamour and image of magic to focus on the reality of how magic works and what you can do to customize your magical workings Instead of relying on prescriptive spells and rituals why not learn the fundamental mechanics of magic and design your own workings With the Process of Magic you'll learn exactly that and much more What the 11 principles of magic are and how they create your magical workings What the 8 types of magic workings are and how to customize them How to methodically approach magic as a process that produces results How to troubleshoot and fix your magical workings How to get results that last If you've ever gotten results that don't stick or tried to do a working and come away feeling like nothing worked then The Process of Magic will help you demystify magic and make it into a spiritual practice you can use to improve and enhance your life **Delver Magic Book IX: Joint Intentions** Jeff Inlo, 2015-03-18 After witnessing his own soul during an encounter with Reiculf the lord of all demons Ryson Acumen's unquenchable curiosity blossoms as he hopes to comprehend the larger meaning of his inner essence While he begins a quest of spiritual understanding he meets an old adversary on a quest of his own The wizard of crimson spells Neltus has lost his magical core Without it he is unable to embrace the red energy which served him in so many ways Determined to regain what was removed from him the coreless wizard takes

uncharacteristic risks and without the delver's knowledge joins forces with creatures of far more wicked intent From the desert to the western shores Neltus leads Ryson through twisted passages of betrayal Foes from the past combine forces to threaten every level of existence and the delver faces a warped menace in a new realm of deceit In one devastating wave of upheaval demons are freed from the restrictions which held them within their breeding grounds Colossal fiends capable of destroying entire cities are unleashed on the land and even the spirit warrior who guards Ryson's hometown is unable to stop them The delver and his allies face a whirlwind of treachery as they stumble from one disaster to another While the threats to Uton continue to grow the delver takes control of the battle and brings the fight back to the demons breeding grounds Returning his focus to his initial quest Ryson breaks through new barriers and allows a growing enlightenment of his inner essence to guide him against his enemies A new perspective of the spirit offers the one path which may allow him to defeat the devious menace and save his friends
