New Books on Women and Feminism, 1998 Sex in Recovery Jennifer Matesa, 2016-09-01 Healthy sexuality within the context of recovery is rarely talked about openly in part because the larger culture restricts the space required to name our experiences in open honest ways Matesa gives us that space by bringing the language of recovery to this more hidden part of our healing allowing us to truly practice these principles in all our affairs Sexuality in the context of recovery is rarely talked about openly in part because our broader culture may inhibit us from sharing our true experiences For some the prospect of sober sex feels like uncharted waters in the past we've rarely had sex without first numbing ourselves with drugs and alcohol What does it mean to have an intimate relationship in sobriety Exploring that question deepens our recovery journey With this groundbreaking work Jennifer Matesa uncovers the challenges real people encounter when they start taking their clothes off without drinking or using in order to do so Providing readers a meeting between the covers Matesa blends first person accounts bravely shared by diverse members of the recovery community insights from experts and her own perspectives The result is a book that creates a space for a vital new dialogue about sexuality and intimacy As we find a common language for this more hidden aspect of our healing we can truly practice these principles in all our affairs

Beware the Witch

Patrick J. Van Ora, 2013-12-30

In almost every page of *Beware the Witch* something supernatural happens. Don't be concerned if you don't believe in the supernatural. Just suspend your disbelief and go along with the ride. This novel is meant to be a roller coaster not an exhibit. The goal is to thrill, excite, amaze, and maybe even get you to cry out in horror or perhaps laugh.

Meet the three main characters. The witch is a spectacularly beautiful, hypnotically alluring, powerful, vengeful, and very dangerous woman with dark and destructive secrets. The man with six forms of ESP is the hero. At first he is drawn to the witch. However, he later decides that he must kill her because he wants to prevent his new love from succumbing to the temptation of becoming a witch and giving allegiance to His Satanic Majesty. This new love interest is caught between her fascination with both witchcraft and sensuality and her drive to do no harm to herself or others. She dislikes her humdrum, repetitious, not very sober life. Then again, you can't simply flirt with powerful forces. You need to be in or out, committed or not. You must choose one or the other: God or the devil.
