**George Best - A Celebration: Untold True Stories of Our Most Legendary Footballer** Bernie Smith & Maureen Hunt, 2008-09-01 George Best was one of the greatest footballers ever to have walked the Earth an absolute legend His ability as an all round player was and still is unsurpassed He was highly skilful a tough tackler and great in the air As well as being an exceptionally gifted sportsman George also had a unique gift when it came to people His open and friendly nature meant that others were naturally drawn to him and he always had time to get to know anyone and everyone Perhaps because of this George Best reached so many people As well as the legions of football fans who watched awestruck as he played he also touched the hearts of everyone with whom he came in contact on a day to day basis from club managers to the groundsmen at Old Trafford Bestie had time for them all it seems that almost everyone has a story to tell about him Bernie Smith is an avid collector of everything to do with the late great man and Maureen Hunt worked in the newspaper industry for over twenty years From banknotes to team photographs to signed shirts and even underwear there is not much out there

relating to George that they don't know about or possess. While gathering memorabilia they discovered that almost every keepsake souvenir or trophy has a humorous heart warming or poignant story attached to it. Piecing together these gems of history they have compiled a fitting tribute to a genuine icon. Take for example the incredible journey of the pair of limited edition George Best boots that ended up on a stall at Brick Lane market in London to eventually become the treasured possession of a man who idolised him or the boy whose house backed onto the United training ground and who would jump over the fence to stand at the back of the nets to watch the Best magic and act as a ball boy when necessary or even a gold thong signed by George himself that was bought at auction and left in a drawer until now. Packed with anecdotes and rare photographs this delightful book will be a welcome addition to any Best fan's collection and is a wonderful way to commemorate the man who was both hero and friend to so many people. The genius of George Best on the football field is well documented as is the celebrity lifestyle which such genius often attracts. This book gives an insight into the much less well known human side of his life and the many unsung acts of kindness which were so typical and which endeared him to everyone who was fortunate enough to know or meet him. I count myself privileged to be amongst that number. Doug Ellis, President Emeritus, Aston Villa Football Club. George Best was a fine fellow to share company with off the football field. It doesn't surprise me that the stories in this book celebrate the real side of George. George had a snooker table in his house and he loved to play the game. He was one of the nicest people you would ever wish to meet with a great sense of humour. Dennis Taylor, 1985 Embassy World Snooker Champion and fellow Belfast boy. Beside can only be described in one word: fantastic. Ron Chopper Harris. Handbook of Reference Sources and Services for Small and Medium-Sized Libraries Margaret I. Nicholas, 1996-07. Lists over 750 sources focusing on the reference needs of adults. The primary objective was to select quality reference tools which cover many different topics. Topics include general works, biography, philosophy, religion, language, literature, visual arts, applied sciences, sports and recreation, home life, social customs and education. Berkshire Encyclopedia of World Sport David Levinson, Karen Christensen, 2005. Contains articles that provide information on topics related to sports around the world covering college sports, the culture of sports, sporting events, health and fitness, nations, media, the sports industry, types of sports, sports theories and sport in society, arranged alphabetically from Academics to Dance. 1994 World Cup Special Grandreams Limited, Tony Lynch, 1994. ARBA Guide to Subject Encyclopedias and Dictionaries Susan C. Awe, 1997. Provides a selection of subject dictionaries and encyclopedias that would be useful in all types of libraries.
