Social and Labour Practices of Multinational Enterprises in the Petroleum Industry International Labour Office,1977

Social and Labour Practices of Multinational Enterprises in the Petroleum Industry ,1977 Social and Labour Practices of Multinational Enterprises in the Textiles, Clothing, and Footwear Industries International Labour Office,1984 **Japanese Multinationals in Australia** Peter Drysdale,Roger Farrell,1999 Finance, Governance and Economic Performance in Pacific and South East Asia David G. Dickinson,J.L. Ford,the late M.J. Fry,Andrew W. Mullineux,S. Sen,2000-01-01 this is an interesting and valuable collection of papers that addresses a highly topical area of research The quality of writing is high in the main and the econometric methodology and models transparent The appendices to many of the empirical chapters provide detailed information about data sources as well as model results The book should be required reading for researchers and graduate students in this field and the review papers provide valuable teaching material It will be especially useful for those concerned with the contribution of governance structures to economic performance financial crises and the still disputed relationship between growth and financial liberalization Jenifer Piesse Asia Pacific Business Review Finance Governance and Economic Performance in Pacific and South East Asia focuses on key aspects of government policy financial systems and their links to the economic miracle in Pacific and South East Asia It also considers the financial crises that have affected those economies and their economic progress The contributors examine the success of governance in the form of government involvement with the macroeconomy and with the deregulation of markets in general Attention is drawn not only to the need for further liberalisation but also the need to introduce regulatory structures to produce orderly markets Employment Effects of Multinational Enterprises in Developing Countries International Labour Office,1981 ILO Research on Multinational Enterprises and Social Policy Hans Günter,1982

Multinationals' Training Practices and Development International Labour Office,1981 **Multinational Enterprises and the Challenge of Sustainable Development** John R. McIntyre,Silvester Ivanaj,Vera Ivanaj,2009-01-01 Transnational corporations play a role in the design diffusion and consolidation of sustainable development in the context of globalization and multinational firms In this timely book European and American contributors analyze this role and explore the complex and dynamic phenomena of economic political cultural and legal interactions involved In order to understand this interplay the authors examine the practices and organizational behaviors used by multinationals in sustainable development They also discuss the evolving concepts that multinationals hold about sustainable development and corporate social responsibility and how companies reaffirm these philosophies through their strategy and organizational practices such as human resource development marketing supply chain information technology law and communications The authors outline an approach to help identify the key details and motivating factors in decision making Scholars students and policy analysts in the fields of business ecology economic development and developmental economics and consultants focusing in corporate

planning and strategic analysis will find this original collection of great value *Multinationals' Training Practices and Development*, 1981 The European Union and Asean NA NA, 2016-04-30 In mid 1997 a major crisis embraced the economies of Southeast Asia Its effects were severe particularly on the countries of the Association of Southeast Asian Nations many of whose currencies suffered market devaluations This volume addresses the causes of the crisis and its ramifications for both trade and investment between the European Union and ASEAN at the turn of the century

European Works Councils in Multinational Enterprises Roger Blanpain, 1999 Deals with the genesis of the Council Directive 94/45/EC and describes the establishment of a works council or of a procedure for the purposes of informing and consulting employees Discusses the subsidiary requirements regarding information and consultation in case where no agreement has been reached Analyses the possibility of concluding pre existing agreements 1994/1996 Includes the text of the Directive 1994 and 1997 the state of transposition of the 1994 Directive into national law a list of companies which have concluded voluntary agreements and finally experience with Article 13 agreements as evaluated by the ETUC **Official Bulletin - International Labour Office** International Labour Office, 1987 *A Case Study on Decision-making in Selected Multinational Enterprises in India* Prakash Narain Agarwala, 1985 *The Statesman's Year-Book 1979-80* J.

Paxton, 2016-12-23 The classic reference work that provides annually updated information on the countries of the world Globalisation, FDI, Regional Integration and Sustainable Development Anthony Bende-Nabende, 2017-10-05 This title was first published in 2002 Anthony Bende Nabende focuses on the ongoing globalization process which has sparked an unprecedented world wide debate He provides a one stop centre for a balanced coverage of the theoretical empirical and policy issues linking globalization with foreign direct investment regional economic integration and economic growth and sustainable development This stimulating book comprehensively explores the theoretical and empirical literature inter linking the aforementioned factors from the anti globalization activists viewpoint and from the pro globalization proponents perspective It proposes policies that individual countries should pursue based on the recognition that globalization generates both positive and negative effects These comprise policies required to maximise the economic benefits globalization may generate and those that aim to eliminate or at least minimize the negative development oriented effects globalization may engender and hence to propel sustainable development The book will be an essential guide for students academics and those involved in international economics environmental studies international relations and growth and development studies

The Economist, 1915 *The Statesman's Year-Book 1978-79* J. Paxton, 2016-12-26 The classic reference work that provides annually updated information on the countries of the world **FDI, Regionalism, Government Policy and Endogenous Growth** Anthony Bende-Nabende, 2018-08-20 Published in 1999 this text investigates whether FDI caused spill over effects which have led to the economic growth of the ASEAN 5 economies and if that it so whether the ASEAN Preferential Trade Agreement APTA had a significant effect in attracting FDI to the region It takes into account the different

levels of economic development of the countries under analysis The results from the structural static model suggest that FDI has stimulated economic growth through the human factors followed by technology transfer international trade and learning by doing and that the formation of APTA had a lagged influence on FDI inflows into the advantage of the more developed member countries and the disadvantage of the less developed countries Those from the multiplier dynamic effects analysis demonstrate that whereas the impact is immediate in the more developed politically stable and foreign investment friendly economies there is a time lag in those economies which are less developed and more hostile to FDI The analysis presents an empirical comparison of how the level of economic development affects the interaction of FDI regionalism and economic growth
