Annual Real Estate Book Sanjeev Kathuria, Vinod Behl, 2022-03-29 A Year of Realty Renaissance In the year 2020 we were caught completely unaware by the covid pandemic causing big setbacks to businesses and economy and real estate was no exception. However, the year gave us great learnings in terms of making our businesses shockproof to face massive disruptions like pandemic. It taught us to quickly adapt to new situations ensuring continuity of business operations. Torbit 2020, our maiden and valuable guide for the industry stakeholders, captured these turbulent times, giving rich insights into various facets of real estate by leading industry experts. The dawn of 2021 brought a new hope of revival of businesses, including real estate. But these hopes were dashed after the first quarter when the deadliest second wave of Corona dealt a devastating blow. But the lessons learnt from the first wave of Corona in 2020 came handy to cope with this catastrophe. And the real estate showed great resilience to not just quickly come out of the crisis but also made a remarkable recovery. Particularly residential real estate registered a record growth matching the pre-covid levels in 2019. The solid gains made by real estate in 2021 have laid a strong foundation for high growth in 2022, supported by the improving economy and businesses and the revival of the market sentiment and confidence of property buyers and investors. In this promising background, we present our yearly handbook Torbit 2021. It is a part of our larger platform Torbit Consulting, a mission to educate and empower various stakeholders of the industry on both demand and supply side, including property consumers. This valuable knowledge resource provides rich insights into residential, commercial and emerging asset classes of real estate through a series of stimulating and enriching articles. It also serves as a guide for the stakeholders, especially property buyers. Torbit 2022 is a collection of authoritative, authentic and analytical articles by well-known industry professionals capturing the journey of the real estate sector in 2021 and the road ahead in 2022.
