Outlook and Independent ,1929 William Powell Roger Bryant,2014-12-09 Actor William Powell is perhaps best known for his roles as charming Nick in The Thin Man films and blustery Clarence Day in Life with Father As diverse as those

characters are they don't begin to reveal the full scope of talent demonstrated by one of Hollywood's most intelligent leading men Elegant witty and dignified Powell created accessible and human characters in a great variety of roles His talent was such that Powell has a large and growing fan base 50 years after his last film was released evidenced by the popularity of DVD rereleases and the frequent appearance of his films on cable television. The focus of this book is Powell's work in more than 90 films from the silent era to the age of CinemaScope woven into the dramatic and touching story of the actor s life It begins by leaping into how Powell and actress Myrna Loy were launched to stardom as husband and wife Nick and Nora Charles in The Thin Man The next chapter sets the stage for the baby Powell's entry into the world in 1892 and details his childhood and upbringing Following chapters trace Powell's journey into the film industry his early career as a popular villain and his transition to talkies in the late 1920s aided by his stage training The book details his work at Warner Bros which turned him into a leading man and his years of stardom at MGM The book describes turning points in Powell's life the death of lover Jean Harlow a 21 month hiatus from films while the actor battled cancer and a new leap to the top in Life with Father Concluding chapters detail another flurry of films and the actor's retirement A filmography lists Powell's films from 1922 to The Hollywood Book of Extravagance James Robert Parish, 2011-01-06 Savor 1955 including those believed to be lost the inside scoop on over the top superstars I m not a paranoid deranged millionaire I m a billionaire Acting is an empty and useless profession Good girls go to heaven Bad girls go everywhere else I m interested in being provocative and pushing people s buttons Which screen icons gave us the quotes above How do stars get away with self indulgent unrestrained behaviors or do they In The Hollywood Book of Extravagance longtime industry insider and Hollywood historian James Robert Parish gives you a provocative look behind the scenes at the lavish indulgences and larger than life egos of Tinseltown's rich and famous The featured celebrities range from heartthrobs to industry tycoons and from yesterday s matinee idols to today s hottest celebs The stars are grouped according to their excesses ego neurosis partying power rich living and romancing You ll devour little known details on the excesses and exploits of notables ranging from Mae West to Madonna Greta Garbo to Marilyn Monroe and Marlon Brando Bela Lugosi to John Belushi Zsa Zsa Gabor to Paris Hilton Errol Flynn to Jude Law and The New York State Exhibitor ... ,1929 **Quota Quickies** Steve Chibnall, 2019-07-25 This book the first many more of two volumes will provide a major new history of the British B film tracing the development of the low budget supporting feature from the 1927 Films Act which introduced a quota system for the distribution and exhibition of indigenous product to the age of television when B film producers channelled their energies into making TV programmes Along the way the authors will address leading producers and studios B film stars distributors the genres and themes that tended to dominate B film production comedy horror crime and fantasy Quota Quickies will include a case study of the B films of Michael Powell The authors argument is that the B film was hugely important in British cinema history in offering an opportunity for British actors and technicians to develop their careers and that the films themselves provided an outlet for the exploration of

peculiarly British cultural concerns in an industry traditionally dominated by Hollywood output They also contend that some of the films stand up well to contemporary viewing and are deserving of critical re evaluation Politics, Policy and Power in Translation History Lieven D'hulst, Carol O'Sullivan, Michael Schreiber, 2016-09-09 The contributions in this book are partly based on papers given at the 7th congress of the European Society for Translation Studies held at the University of Mainz in Germersheim For this publication all papers have undergone a review process In order to illustrate the variety of contents and approaches involved in the concepts of translation policy and politics the chapters are organised thematically rather than chronologically The objective in doing so was to show how policies influence a wide array of discursive practices The first group of articles is concerned with the policy of translating and interpreting in power settings A second group deals with translation policies as applied to a wide corpus of literary texts A third group is devoted to the policies of media translation
