witnessing the beautiful holy city called Heaven and then I saw Him His face and garment radiated a supernatural brilliant light that was much brighter than the morning sun coming up over a horizon too magnificent to gaze upon There is no verbal vernacular to adequately describe the exquisite golden streets breathtaking jeweled walls fragrances incomparable to any on earth and the Heavenly choir singing melodious songs to worship and praise the King of kings and Lord of lords There are nine classifications of Angels all having different assignments Some have four faces one resembling that of a man and the other three faces are the likenesses of animals Only the Angels assigned to mankind sent to provide assistance directions encouragement instructions or to reveal or fulfill the plan of God resemble human beings There is life after death and a Heavenly home where Yeshua Hamashia Jesus the Christ resides and where He has a prepared a residence for all those who love Him Many personal visitations of Angels and that of Heaven are included in this writing In fact it was an Angel who prompted me to pen this book and it is my expressed hope that your faith will be elevated and that you too will experience the supernatural

*Jesus and the Angels* Peter R. Carrell, 1997-07-10 This book first published in 1997 examines the influence of angelology on the christology of the Apocalypse of John In the Apocalypse Jesus appears in glorious form reminiscent of angels in Jewish and Christian literature in the period between 200 BCE and 200 CE Dr Carrell asks what significance this has for the christology of the Apocalypse He concludes that by portraying Jesus in such a way that he has the form and function of an angel and yet is also divine the Apocalypse both upholds monotheism and at the same time provides a means for Jesus to be presented in visible glorious form to his Church
