Talking With God

Thomas Schaff

Talking With God:

Talking to God Wayne R. Spear, 2002 Author and Seminary professor Wayne Spear teaches that men and women who are in a relationship with their Creator will be men and women who pray He then looks to the Bible for answers about how and why to talk to God 199 Treasures of Wisdom on Talking with God Barbour Publishing, 2007-01-01 Widely recognized as one of Christendom's foremost authorities on prayer the South African theologian Andrew Murray wrote prolifically on the deeper spiritual life 199 Treasures of Wisdom on Talking to God is drawn from Murray's writings relating to communion with God explaining the what when why and how of prayer **Talking about God** Stephen Saccone, Cheri Saccone, 2018-01-02 And if someone asks about your hope as a believer always be ready to explain it But do this in a gentle and respectful way 1 Peter 3 15 16 NLT Talking About God demonstrates that spiritual conversations have the potential to profoundly impact someone's faith journey when we simply engage people with honesty and respect For people who are intimidated or fatigued by the idea of talking about matters of faith Talking about God offers story after gripping story about conversations that avoid offering platitudes and unnecessary divisiveness and instead draw people organically and relationally toward the Good News of Jesus Christ Discover refreshing portraits of natural authentic God directed dialogues that protect the dignity of the people we love and lead them into life changing conversations **Hearing God in Conversation** Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks **Talking with God** Adam Weber, 2018-02-27 Prayer seems like it should be so simple Yet when it comes to actually praying so often it feels awkward and complicated The truth is prayer is simple It's like talking Talking with a good friend Down to earth pastor Adam Weber offers an accessible hopeful approach to one of life's greatest mysteries talking with God Now with a brand new bonus

Constable, 2005-01-13 Why a theology of prayer Because counterfeit prayer abounds we need Scripture's guidance writes Thomas Constable Praying as God desires requires considering what God has revealed about it As we give prayer our careful attention we gain greater understanding of what he intends it to be Constable details the different forms of communication God invites us to use He identifies the counterfeits that pass for prayer discusses the conditional nature of prayer and explains why some prayers seem to go unanswered **Holy Conversation** Richard Peace, 2006-05-22 Richard Peace teaches you how to engage in easy and comfortable conversation about the good news of Jesus Explaining the gospel in plain language and offering practical suggestions for sharing your faith with friends neighbors and colleagues he provides twelve study and discussion sessions perfect for small groups to work through and try out together Prayer Rosalind Rinker, 1986-10-19 This is a fresh and inspiring guide to the joys of talking with God and making prayer life more effective

Adekunle, Julius O. Adekunle, 2006-05-12 **Conversations with God** Matthew Robert Payne, 2016-09 Imagine if you could hear God speak

Imagine if you could sit down and speak to God about a wide range of subjects that are helpful to the Christian faith and have him respond to you Matthew Robert Payne did exactly that over the course of a month He sat down with the subjects covered in his previous book Jesus Speaking Today and asked God to open up about them What follows is a number of intimate conversations with God God shares his heart with Matthew in a way that is raw honest and candid Peek inside the pages to see how God speaks to his friend who is interested in hearing his heart Listen in on these conversations as God gets personal and emotional about the things that matter to him and that should ultimately matter to humanity It is Matthew s hope that this book will encourage you to learn to hear from God for yourself and encourage you to journal what God says to you each day
