*Mind as Metaphor* Adam Toon, 2023-03-28 We often think of the mind as an inner world Once this inner world might have been a spirit or soul a ghost in the machine in Gilbert Ryle's memorable phrase Nowadays we are told it will be found in the brain Adam Toon argues that this is a mistake In fact our concept of mind is fundamentally metaphorical we project the outer world of human culture onto the inner world of the mind This is an enormously powerful way of making sense of people and their behaviour But we must not forget that this inner world is only a useful fiction *Mind as Metaphor* develops this idea to offer a radical new approach to the mind known as mental fictionalism Toon shows that mental fictionalism can make sense of our ordinary concept of mind or folk psychology while avoiding the difficulties faced by alternative approaches such as behaviourism or instrumentalism In doing so *Mind as Metaphor* sheds new light on a range of issues from the mind's capacity to represent the world or intentionality to the way in which new tools and practices expand the limits of inquiry Written in a concise engaging and accessible style *Mind as Metaphor* is essential reading for anyone interested in the nature of the mind and its relationship to human culture
