Talking Sociology:

Talking Sociology Gary Alan Fine, 1997 This book examines twelve controversial issues in sociology and in public policy and focuses on philosophical questions about human nature and the nature of social organization Immigration policies gender race and ethnicity culture social movements human sexuality culture and socialization **Talking Sociology** PROF. RAMIN. GUPTA JAHANBEGLOO (PROF. DIPANKAR.), Ramin Jahanbegloo, Dipankar Gupta, 2018-10 Talking Sociology is the ninth title in the OUP series of Ramin Jahanbegloo's conversations with prominent intellectuals who have made significant contribution in shaping the modern Indian thought The present volume covers the life and works of the influential Indian sociologist and public intellectual Dipankar Gupta As a social scientist Gupta has made remarkable contribution to contemporary social theory by redefining and reconstructing the central concepts of the past masters and taking sociology beyond its disciplinary boundaries by helping several generations of Indians understand contemporary social change and transformation of institutions He is considered the most insightful analyst of modernity and modernization in India The conversation in this volume revolves around Gupta's career and contribution to the field and discusses the key areas of sociology such as the problem of social stratification citizenship and democracy and the caste system and ethnic groups in India **Talking Sociology** Gary Alan Fine, David Shulman, 2003 Talking Sociology examines controversial social issues from libertarian conservative and social democratic points of view demonstrating the philosophical basis of social life

Talking Sociology Dipankar Gupta, Ramin Jahanbegloo, 2018-10-09 A well known name in contemporary sociology Dipankar Gupta's wide range of scholarship and popular columns have justly earned him the reputation of being one of India's leading public intellectuals Talking Sociology provides a complete panorama of Gupta's life and works and his contribution to Indian sociology In this book of conversations he shares insights into the key areas of Indian sociology such as the problem of social stratification citizenship and democracy and the caste system and ethnic groups in India It also discusses the influence of prominent thinkers on Gupta's works such as Claude Lévi Strauss Talcott Parsons André Beteille and John Rawls The ninth in the series of Ramin Jahanbegloo's conversations with the prominent intellectuals who have made a significant impact in shaping the modern Indian thought this book discusses Gupta's array of work and its redefinition and reconstruction of the central concepts of sociology taking it beyond its disciplinary boundaries *Liberating Method* Marjorie L. DeVault, 1999 Liberating Method reflects the conviction that feminist insights can and should contribute to a sounder more rigorous social science In this book one of the leading practitioners and teachers of feminist methodology examines profound questions about traditional and customary practices of social research Marjorie DeVault argues that established methods too often ignore social oppression as she charts her quest for approaches that will more adequately represent marginalized groups Conflict Sociology Randall Collins, Stephen K. Sanderson, 2015-12-03 This new edition is a substantial abridgment and update of Randall Collins's 1975 classic Conflict Sociology The first edition represented the most

powerful and comprehensive statement of conflict theory in its time Here Sanderson has retained the core chapters and added discussions on Collins s and others work in recent years An afterword summarizes Collins s latest forays into microsociological theorizing and attempts to demonstrate how his newer microsociology and older macrosociology are connected Radical Sociologists and the Movement Martin J. Murray,Rhonda F. Levine,Martin Oppenheimer,1991

the study of civil society and social movements most cases are based in Western Europe and North America These two areas of the world have similar histories and political ideals and structures in common which in turn affect the structure of its civil society In studying civil society in Asia a different understanding of history politics and society is needed The region s long traditions of centralized authoritarian states buttressed by Confucian and in some cases Communist ideologies may render this concept irrelevant The chapters in this international volume cover most of the areas and countries traditionally defined as belonging to East Asia Japan Taiwan South Korea Hong Kong Singapore and China The case studies included in this volume confront the utility of using the Western concept of civil society represented in its most active form social movements to think about East Asia popular politics Along with providing an array of important case studies of social movements in East Asia the introduction chapters and conclusion in the book take up three major theoretical questions the effect of the East

Asian cultural social and institutional context upon the mobilization activities and outcomes of social movements in that region the role of social movements in larger transformative processes utility of Western social movement concepts in explaining social movements in East Asia This book will be of interest to two major groups of readers those who study East Asia and those who pursue social movements and civil society as well as politics more generally **Let's Talk About Love** Carl Wilson,2014-03-13 For his 2007 critically acclaimed 33 1 3 series title Let s Talk About Love Carl Wilson went on a quest to find his inner C line Dion fan and explore how we define ourselves by what we call good and bad what we love and what we hate At once among the most widely beloved and most reviled and lampooned pop stars of the past few decades C line Dion s critics call her mawkish and overblown while millions of fans around the world adore her huge pipes and even bigger feelings How can anyone say which side is right This new expanded edition goes even further calling on thirteen prominent writers and musicians to respond to themes ranging from sentiment and kitsch to cultural capital and musical snobbery The original text is followed by lively arguments and stories from Nick Hornby Krist Novoselic Ann Powers Mary Gaitskill James Franco Sheila Heti and others In a new afterword Carl Wilson examines recent cultural changes in love and hate including the impact of technology and social media on how taste works or doesn t in the 21st century **Jostling Between Mere Talk and Blame Game?** Munyaradzi Mawere,2018-02-14 One of the fundamental challenges in rethinking and remaking development in Africa from a Pan African perspective is that too much mere talk and blame game have played out at the expense of real action The blame game and mere talk on Africas poverty and underdevelopment jam have remained printed in bold on the face of the continent yet Africas dire situation warrants nothing less than real emphatic action This book focuses on the empirics of the production and reproduction of poverty and underdevelopment across Africa in a fashion that warrants urgent pragmatic policy attention and quest for workable homegrown solutions to persistent predicaments The volume advances the need to recognise the realities of global inequalities and move swiftly in a most informed and transparent manner to address the poverty and underdevelopment conundrum The book sets the tempo and pace on the need for praxis and pragmatism on the African situation It is handy to students and practitioners in African studies poverty and development studies global studies policy studies economics and political science **Conflict Talk** Allen D. Grimshaw,1990-04-19 An examination of language use in the important area of social conflict **Medical Talk and Medical Work** Paul Atkinson,Professor Paul Anthony Atkinson,1995-06-15 The development of a sociology of medical knowledge is both assessed and contributed to in Medical Talk and Medical Work Underlying the analysis is research on the work of haematologists which offers a rich resource for understanding the complexities and contradictions between physical bodies and social embodiment medical talk and technical apparatus Using but moving beyond this specific material Paul Atkinson demonstrates the strengths and weaknesses of the existing understanding of medical knowledge Among the issues explored are the place of interaction among doctors rather than between doctors and patients in defining the construction of

medical knowledge the ways in which clinical opinion is socially produced and the nature of the local settings through which this process occurs and the relations among medical knowledge medical language and the increasingly technological contexts of contemporary medical practice **Why Do We Still Talk About Race?** Martin Bulmer, John

Solomos, 2020-05-21 The main objective of this edited collection is to provide an insight into key facets of contemporary research and scholarship on race and ethnicity The various chapters were presented at a conference to celebrate the 40th Anniversary of the international journal Ethnic and Racial Studies Given this context contributors reflect on the evolution of scholarship over the past five decades and look forward to the range of issues that we shall need to research and understand more fully in the future In doing so they both provide an overview of the shifting boundaries of the field of ethnic and racial studies and display an engagement with emerging fields of scholarship and research The volume brings together leading scholars who have experience of researching race and ethnicity in various parts of the globe and combines conceptual reflection with empirically focused analysis This book was originally published as a special issue of Ethnic and Racial Studies

Town-Talk Nas, Ansari, 2023-07-31 *Talk and Social Organisation* Graham Button, John R. E. Lee, 1987 This volume contains a collection of original studies in conversation analysis C A arranged and presented both to introduce the discipline to the newcomer and to reveal some of the expanding range of discoveries which conversation analysts are making in the course of their distinctive enquiries into the order and organisation of natural language Though sociological in its orientation C A and the papers here represented are of direct methodological and substantive interest to linguists philosophers discourse and speech analysts and social anthropologists Indeed the strict adherence to the methodological principle that analysis can and must be shown to be grounded in data represents a challenge to all those disciplines which set out to use their materials as mere hand maidens to support preconstructed models theories and hypotheses In this series of papers which includes previously unpublished works of the late Harvey Sacks and the last completed joint researches of Sacks Jefferson and Schegloff ordinary talk is shown as consisting of a variety of previously unnoticed socially organised practices which conversationalists engage in to generate the organisation which talk has The methods and the analytic mentality of conversation analysts are and are here shown to be designed to make conversationalist s methods structure and modes of orientation available for empirical study The search for order and organisation reveals it everywhere Laughter is shown to be concertedly organised and negotiated in the finest detail The machinery of delicate repair systems is revealed Conversational completions are shown to be the product of elaborate negotiating machineries Conversationalists are revealed as subtly orienting to and invoking the visual contexts of their interaction within the framework of the turn taking organisation of conversation This volume also contains examples of conversation analytic work into the talk produced in organisational settings such as courts and Doctor Patient interviews Such analyses reveal the contribution that the discipline might make towards the exploration of the kind of social phenomena traditionally researched by sociologists social psychologists and
