Talking To Bones:

Talking Bones Shay Youngblood, 1994 Talking Bones Shay Youngblood, 2013-03-15 Talking Bones is set in Ancestor's Books Breakfast a half empty bookstore in a small Southern town where three generations of women Ruth her daughter Baybay and her grand daughter Eila hear the ancestors through a broken hearing aid whispers in the dark and in talking bones The ancestors bring a message about love faith and family Ruth the matriarch needs to settle her affairs before she dies She interprets the voices she hears as those of the ancestors guiding her Baybay wants to be free of her mother's traditions Eila tries to build a bridge between the two women while creating a place for new rituals and new beginnings It's a complex journey for all but in the end the ancestors can be heard whispering joyous and hopeful **Talking Bones** Dale Mayer, 2022-07-05 Hiding out in the French Quarter of New Orleans only made sense for someone like Skylar Livingston Owning a voodoo shop was just an added touch for fun It also helped with her cover plus gave space to the multitude of ghosts in her family And her shop was close to the cemeteries a very necessary part of her hobby Gage Hawkins was tracking his uncle's last movements before his disappearance hunting a special set of tarot cards which led to Skylar's shop Talking Bones After a bad head injury that brought weird sights into his view Gage could see this Talking Bones place and Skylar were special He could only hope she had answers because he had a lot of questions Skylar preferred the dead to the living most times but Gage had her reconsidering Until she realizes something is wrong in his world and it's quickly overtaking hers When Gage's uncle turns up dead more than the undead are in Skylar's world A killer is too **Story of the Talking Bones** James Penning, 2004 This is a story about a modern day hunter that is hunting in a strange area even though he hunted the Black Hills for over thirty years During this hunt he comes across burnt foundations and 5 graves These stones have his relation names on them with the date of death all on the same day He finds a skeleton nearby that he uncovers and says If only these bones could talk It goes back to 1866 through what happens causing these deaths It goes to 1877 and tells how the Davey is adopted It follows the lives through the Deadwood gold discovery days He and Russ have a ranch partnership and the story shows problems and events involved in ranching and Indian problems Many things happen building friendships also facing perils in those days It explains the deaths of the family and finally uncovers the murderous deed and those responsible It's based on historical facts no one is written about without their permission If it does cover anything or anyone it is unintentional I have written this book based on Christian background without any swearing or sex so it is readable for all ages **Talking to the Bones** Kathy Galloway, 1996-01-01 This book arises from the Sunday BBC television series The Story So Far The Road to Iona and Journey of a Lifetime The book is a collection of poem cycles and meditations using the biblical image of the valley of the dry bones to describe the task of presenting faith anew in every person in every generation To Wake the Nations Eric J. Sundquist, 1993 Sundquist presents a major reevaluation of the formative years of American literature 1830 1930 that shows how white and black literature constitute a single interwoven tradition By

Speaking in Tongues and Dancing Diaspora Mae G. Henderson, 2014-05-07 The oral tradition has always played an important role in African American literature ranging from works such as Zora Neale Hurston's *Their Eyes Were Watching God* to Toni Morrison's *Beloved* These and countless other novels affirm the power of sonance and sound in the African American literary canon Considering the wide swath of work in this powerful lineage in addition to its shared heritage with performance Mae G Henderson deploys her trope of speaking in tongues to theorize the preeminence of voice and narration in black women's literary performance through her reconstruction of a fundamentally spiritual practice as a critical concept for reading black women's writing dialogically and intertextually The first half of the book is devoted to influential works of fiction as Henderson offers a series of spirited attentive readings of works by Zora Neale Hurston Alice Walker Sherley Anne Williams Toni Morrison Gayl Jones and Nella Larsen The second half shifts gears to consider the world of female African American performance most notably in the figures of Josephine Baker and the video dancer Drawing on the trope of dancing diaspora Henderson proposes a model of theorizing based on performing testimony and critical witnessing Throughout the book Henderson draws on a history of black women not only in the Pentecostal Holiness Church but also within the traditions of classical Christian African and black diasporic spirituality and performance Ultimately *Speaking in Tongues and Dancing Diaspora* provides a deeply felt reflection on race and gender and their effects within the discourses of speaker listener and audience performer
