**Talks About Authors** Ella Reeve Ware, 2015-07-19 Excerpt from Talks About Authors And Their Work These sketches of well known authors are written in simple language so that children may read and understand them Little folks will be more interested in what they read when they are familiar enough with authors to make them seem like real folks It is impossible in a limited space to give complete information concerning the lives of these authors or the motives which have inspired them in their work but it is hoped that these familiar chats may give a taste for further reading and study This little book can be used for reading lessons as the foundation for morning talks or for language lessons When used as language lessons if a special lesson should be given on the birthday of each author it would help to impress his personality on the minds of the pupils About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Build Your Author Platform** Carole Jelen, Michael McCallister, 2014-05-13 A great book is no longer enough An author platform is the most powerful key to success in today's saturated market and increasingly publishers are demanding that new authors come to them with an existing audience of interested followers Authors who are self publishing have an even bigger need to build an engaged audience Social media makes building the author platform easier than ever but unfortunately most authors struggle to get it right How can authors create their unique platform connect with followers write a manuscript and grow their business In Build Your Author Platform The New Rules top literary agent Carole Jelen and tech expert Michael McCallister apply their combined 35 years of expertise to outline 14 practical hands on steps to create a presence that will produce high book sales and expanded audience From pre publication through book launch and beyond authors will learn how to Define goals and a unique brand Employ successful website strategies content social presence media authority and training Secure positive reviews Attract viewers efficiently without cost Filled with detailed lessons examples success stories and techniques used by marketing departments at major publishers Build Your Author Platform is an indispensable guide for anyone looking for insight into publishing promoting and marketing books

**Extracts from various authors; and fragments of table-talk [ed. by E.L. Hussey].** Extracts, 1883 [Author Straight Talk](#): Sarah Gerdes, 2018-01-22 For anyone who has ever thought about writing a book but suffered from fear of failure felt intimidated by the process or didn't understand the role of agents rights and marketing comes Author Straight Talk an insider's look at the business of authoring Answering 185 questions acclaimed author Sarah Gerdes sheds light on

ten core aspects of being an author With her brutally honest style Gerdes holds nothing back as she lifts the veil on how to get your manuscript accepted where the most money is made how to manage writing on a daily basis and ways to increase the sales of your book Readers are also introduced to Gerdes proven success strategies for writing editing publishing marketing and selling your book The money she s earned along with the mistakes she made are detailed but so are the best tips she s learned for being successful in both mainstream and independent publishing This book is the fulfillment of the promise I made twenty years ago If I ever achieved success I was going to share it with others Author Straight Talk is the book I wish I d had to help me along the way I might not have always listened but at least I would have known what to consider and think about before making the best decision possible Sarah Gerdes *The Deaths of the Author* Jane Gallop,2011-08-05 Post structuralist attitudes to authorship as expressed by Roland Barthes Jacques Derrida Eve Kosofsky Sedgwick and Gayati Chakravorty Spivak with particular attention to time and death *Handbook of Research on Advancing Teaching and Teacher Education in the Context of a Virtual Age* Zimmerman, Aaron Samuel,2022-12-28 The possibilities of the virtual age can provide many valuable resources and opportunities for teachers preservice teachers and teacher educators However in order to utilize these resources responsibly and productively the researchers and practitioners of teaching and teacher education must better understand the new potentials and pitfalls related to teaching and learning that are present within the virtual age The Handbook of Research on Advancing Teaching and Teacher Education in the Context of a Virtual Age focuses on the recent innovations in teaching and teacher educations as well as innovations in the curriculum and pedagogy of teacher education It deepens discussions related to how teacher education can address educational possibilities within this digital age Covering topics such as learning material adaptation teacher talent pipelines and metaverse this major reference work is a comprehensive resource for administrators and educators of both K 12 and higher education teacher educators pre service teachers government officials librarians researchers and academicians

**Talking Books** James Carter,2013-01-11 Talking Books sets out to show how some of the leading children s authors of the day respond to these and other similar questions The authors featured are Neil Ardley Ian Beck Helen Cresswell Gillian Cross Terry Deary Berlie Doherty Alan Durant Brian Moses Philip Pullman Celia Rees Norman Silver Jacqueline Wilson and Benjamin Zephaniah They discuss with great enthusiasm their childhood reading habits how they came to be published how they write on a daily basis how a particular book came together a type of writing that they are especially known for Through in depth interviews they each reveal their approach to their craft Much is know and spoken of the product that is the children s book but it is rare that writers are given the opportunity to talk at length about the process of writing for children Talking Books redresses the balance by presenting a wide selection of authors of fiction non fiction and poetry reflecting upon the joys and challenges of the craft creativity and process of writing for children *The International Library of Famous Literature* Richard Garnett,Alois Brandl,Donald Grant Mitchell,1900 **Table Talk ...
