Talks with Great Composers Arthur M. Abell, 1999-02      *Talks With Great Composers* Arthur M. Abell, 2016-01-27 Who does not ponder what inspires creativity Why does one person excel as a doctor another as an artist and yet a third as a composer Why do some fortunate people seem overly endowed with an abundance of creativity this most precious of gifts and others with little or none at all Can creative inspiration be nurtured slowly and suddenly spring forth to mesmerize and enchant the world In the words of Emanuel Ax we are given fascinating glimpses into the innermost thoughts of some of our greatest composers in this series of intimate and deeply felt conversations between Arthur Abell and Brahms Puccini Strauss Humperdinck Bruch and Grieg And through these revelations one can understand with greater clarity the essence of genius In its entirety the book is a paean to both the musical world and to those few who achieved greatness during the latter part of the 19th century and the early years of the 20th century We cannot fail to be deeply impressed by the intense outpouring of emotion demanded by great creative endeavor And here nothing is spared We are privy to the highs and lows the great triumphs and the wrenching failures *Talks with Great Composers* brings to life the thoughts fears self doubt inherent religiosity and the unparalleled joys that by the end of the book we come to appreciate must accompany all of life's greatest challenges and accomplishments      The Prosperity Game Richard A. Fishman, Charles P. Werner, 2018-10-01 An

entrepreneur coach and business consultant reveal how to achieve success without compromising your spirituality The Prosperity Game sets forth a four step process for achieving success find and develop your seed thought determine and accept your calling ground your calling in the world and make the commitment The authors have used spiritual principles to achieve worldly success and are passionate about sharing their knowledge to help others create lives filled with material and spiritual abundance Each chapter also includes advice from other wealthy individuals who have used spiritual principles to guide their companies In these challenging economic times The Prosperity Game provides spiritual people with a roadmap to material success      **The Routledge Companion to Theism** Charles Taliaferro, Victoria S. Harrison, Stewart

Goetz, 2012-10-02 There are deep and pervasive disagreements today in universities and colleges and popular culture in general over the credibility and value of belief in God This has given rise to an urgent need for a balanced comprehensive accessible resource book that can inform the public and scholarly debate over theism While scholars with as diverse interests as Daniel Dennett Terry Eagleton Richard Dawkins Jürgen Habermas and Rowan Williams have recently contributed books to this debate theism as a concept remains poorly understood and requires a more thorough and systematic analysis than it has so far received in any single volume The Routledge Companion to Theism addresses this need by investigating theism's history as well as its relationship to inquiry in the sciences social sciences and humanities and to its wider cultural contexts The contents are not confined within the philosophy of religion or even within the more expansive borders of philosophy Rather The Routledge Companion to Theism investigates its subject through the lens of a wide variety of disciplines and

explores the ramifications of theism considered as a way of life as well as an intellectual conviction The five parts of the volume indicate its inclusive scope I What is Theism II Theism and Inquiry III Theism and the Socio Political Realm IV Theism and Culture V Theism as a Way of Life The result is a well ordered and thorough collection that should provide a wide spectrum of readers with a better understanding of a subject that is much discussed but frequently misunderstood As the editors note in their Introduction while stimulating and informing the contemporary debate a key aim of the volume is to open new avenues of inquiry into theism and thereby to encourage further research into this vital topic Comprised of 54 essays by leading scholars in philosophy history theology religious studies political science education and sociology The Routledge Companion to Theism promises to be the most useful comprehensive resource on an emerging subject of interest for students and scholars

*The Real Toscanini* Cesare Civetta, 2012-09-01 Amadeus Lauded by Verdi Debussy and other music legends the celebrated conductor Arturo Toscanini raised the standards of orchestral and operatic performance over an astonishing 69 years on the podium But as he did so he acquired a reputation as something of a tyrant who unleashed an explosive temper at musicians if rehearsals did not meet his expectations In *The Real Toscanini* Cesare Civetta presents an intriguing collection of vivid one of a kind interviews with artists who performed with Toscanini A portrait of the inner workings of the maestro emerges through these extensive conversations conducted by the author over a period of 20 years together with other firsthand recollections These accounts clarify Toscanini's philosophy musical style and techniques They depict a man tormented by inner demons of anger and depression which were easily triggered by his frustration at being unable to produce the musical ideal in his mind's ear Toscanini is also revealed as a vehement anti Fascist and an unequivocal opponent of totalitarianism and racism he defied Mussolini and publically opposed Hitler The book includes a comprehensive account of his 1936 inauguration of what is now known as the Israel Philharmonic in solidarity with Jewish refugee musicians Toscanini comes through in this book as a tortured but deeply humane individual who strove to constantly improve a sincere and humble musician who was nevertheless the preeminent maestro of the 20th century

**Embodiment of Musical Creativity** Zvonimir Nagy, 2016-11-03 *Embodiment of Musical Creativity* offers an innovative look at the interdisciplinary nature of creativity in musical composition Using examples from empirical and theoretical research in creativity studies music theory and cognition psychology and philosophy performance and education studies and the author's own creative practice the book examines how the reciprocity of cognition and performativity contributes to our understanding of musical creativity in composition From the composer's perspective the book investigates the psychological attributes of creative cognition whose associations become the foundation for an understanding of embodied creativity in musical composition The book defines the embodiment of musical creativity as a cognitive and performative causality a relationship between the cause and effect of our experience when composing music Considering the theoretical practical contextual and pedagogical implications of embodied creative experience the book redefines aspects of musical composition

to reflect the changing ways that musical creativity is understood and evaluated Embodiment of Musical Creativity provides a comparative study of musical composition in turn articulating a new perspective on musical creativity     **Maestros and Their Music** John Mauceri,2018-11-06 John Mauceri who has stood on podiums before storied symphonies operas and ballets around the world brings a lifetime of experience to bear in this informative brilliantly entertaining exploration of his profession As Mauceri traces the lineage of his craft from Felix Mendelssohn the first to use a baton to the present day he shows us how conducting is itself a composition of legacy and tradition of techniques handed down and more than a trace of ineffable magic Weaving clear musical explanations together with memorable accounts of working alongside masters like Bernstein and Stokowski Mauceri reveals how conductors approach a piece with a combination of personal interpretation imagination and insight into the composer s intent what it takes to communicate solely through gesture with sometimes hundreds of performers at once and the occasionally glamorous often challenging life of the itinerant maestro Illuminating and instructive inflected with candor humor and grace *Maestros and Their Music* is the perfect guide to the allure and theater passion and drudgery rivalries and relationships of the conducting life     *Spiritual Liberation* Michael Bernard Beckwith,2008-11-11 The dynamic spiritual leader and featured teacher in *The Secret* shares his practical wisdom and inspirational practices for unlocking your full potential and transforming your life Michael Bernard Beckwith the well known spiritual leader who touched the hearts of millions in *The Secret* as well as founding the Agape International Spiritual Center shares his transformational central message and his powerfully accessible methods for embodying that message in daily life Here in *Spiritual Liberation* Beckwith reveals that it is our inner spiritual development not outward appearances religiosity or dogma that guides each of us toward our higher selves Drawing on a wide spectrum of teachers both ancient and modern this is a joyous reminder of the true fruits of spiritual labor Featuring Beckwith s personal and touching accounts the book guides us to integrate and activate the gifts of divinity that are present within each of us With affirmations exercises and a vibrant personal narrative *Spiritual Liberation* is destined to become a classic to read again and again     **Mirror of the Soul** Tania M.
