what Hardy meant to appear in his biography Through careful examination of pre publication texts Michael Millgate has retrieved the text as it stood at the time of Hardy s final revision For the first time The Life and Work of Thomas Hardy can be read as a true work of autobiography an addition to the Hardy canon Thomas Hardy Michael Millgate,2004 Michael Millgate s classic biography of the great novelist and poet Thomas Hardy was first published in 1982 Much new information about Hardy has since become available often in volumes edited or co edited by Millgate himself and many established assumptions have been challenged and revolutionized by scholarly research In this extensively revised fully reconsidered and considerably expanded new edition the world s leading Hardy scholar draws not only upon these new materials but upon an exceptional understanding of Hardy gained from long immersion in the study of his life and work Many large and small aspects of Hardy s life are here freshly illuminated including his family background his fumbling self education as a poet his difficult relations with his first wife and hers with his family his sexual infatuations his secret collaborations with aspiring women writers his clandestine composition of his own official biography and the memory invoking techniques by which he sustained his remarkable creativity into extreme old age Thorough authoritative and eminently readable Thomas Hardy A Biography Revisited is now the standard life of Hardy for a new generation *The Poetry of Thomas Hardy* J. O.

Bailey,2018-02-01 This handbook provides the background necessary for fully understanding the nearly one thousand poems of Hardy As it treats the poems individually and often supplements the analysis of a poem by relating it to other poems and to passages in the fiction every comment helps build a portrait of Hardy as a poet Originally published in 1970 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **Thomas Hardy: His Life and Friends**
