,1997      **Short Stories and Tall Tales** James Woods,2016-05-27 This is a journey through rather than a book of short stories and tales of the Mystical Ireland that is my home A land of celebration and a land of those who are not too saintly or too scholarly It is an island of Banshees Witches Pookas and other strange creatures There is much humour to be had in the Emerald Isle and some of these stories reflect that humour be it rural or urban These are stories of hardworking people and those who prefer to avoid work whether it be hard or easy It is also a book that describes an Ireland that is fast disappearing in this modern world bringing with it its traditions and values Much of what you read in these stories is still part of life in the Emerald Isle and we folklorists are trying our best to ensure that their memory will remain for generations to come So come with me in this book to the land where mists hide more than the eye can see and the mind accept as truth      *Short Stories For Tall Tales* Carl Watson,2022-12-16 Each short story is complete within itself The terse captivating writing presents stories in short form without the length needed in the novel format to accomplish the same result The stories are based on truths past memories embellishments and fictional events all subject to the writers wide ranging creativity Character depiction is varied as to social and economic status race and ethnicity It addresses their rise or fall within the scope of their involvement in the stories plot Liberty has been taken with the names of a few characters Whimsical or farcical names do not detract from the aim or emotions of the stories Reading the stories is addictive prompting the reader to begin the next one as soon as the previous one has been read Any connection or allusion to living of living persons or real events is unintentional and features the range of emotions including deception and criminality exhibited by some and present in many      **Tall Tales & Short Short Stories** Jim Martin,Kirsten Dinkins,2009-10 Thirty tall tales and short stories of varied genres and recipes sprinkled with humor flavored with imagination and carefully prepared to whet the appetite of readers from the cradle to the grave      SHORT STORIES AND TALL TALES E P WHITNEY, PhD,2014-11-22 Includes The story of life in the railroad track crowd in the late 1930 s as viewed by a teenager paper boy The inside story at a small New England college that turned a sex scandal into an academic affair The uncommon story of a soldier in Viet Nam that chose not to return home to the U S after the conflict ended The story of the first soccer team at Delhi A T and a tribute to Harry Wilkerson The story of an immaculate perception criminally abused      Short Stories and Tall Tales Roger J. Burnett,2012-10 Short Stories and Tall Tales tells of the bumper days of eight young people Some days are normal living experiences and others are the result of over active imaginations with suspense and a touch of the paranormal thrown in for good measure Saturday Morning Surprise page 1 Brianna is twelve and talks her dad into having her own Puppy She quickly discovers a part of puppy ownership she hadn t planned on Only her active imagination can rescue her from this dilemma Toboggan Hill Page 25 Josh and his brother Ethan have an advanced case of sibling rivalry Who will be the fastest down Toboggan Hill the steepest and most treacherous hill in town Will one get hurt like last year The Visit Page 37 Isabel wakes up in the dark of the night to discover her Grandmother and a friend Miss Daisy are in her bedroom room and dressed as witches If that s not scary

**Short Stories and Tall Tales** Philip Algar, 2021-11-29 In this imaginative book former journalist and occasional broadcaster Philip Algar avoids all the restrictions imposed during Covid and travels in time without any hassle He meets new friends on a conventional UK holiday decades ago and discovers how three young boys play an unexpected role in the war He listens to the reminiscences of two elderly men gazing out to sea from their shelter on a sea front and follows the progress of an unpleasant politician to whom truth is an alien concept How does a dream become part of reality for a man who plays a role in the manufacture of sausages and who is slavishly addicted to the advice offered in his daily newspaper What happens to a young man who has a fantasy about a girl in a suede coat These and other tales are included in this humorous book which is an exercise in escapism

**The Kid Looks Back-Short Stories & Tall Tales** Ritchie R. Moorhead, 2011-07-12 The Kid Looks Back is a collection of sixty eight stories that cover a wide range of topics I hope that his book will be a gentle hiding place where you can go to get away from something return to something or go where you have never been Some of these stories are true Others are factually true although bit embellished Others are outright fabrications Most look back to a kinder mellower time Digging for worms swimming in a pond using an outhouse or wading in a river may bring gross evaluations from our urbanized cousins I hope that this book introduces them to life with a smile Most of the stories have a message Many are simply humorous Entertainment is the motive Carefree is the mood Try to find yourself within these pages May the beak of reality crack your comfort shell Start anywhere Finish anytime Enjoy
