Networks Guido Caldarelli, Michele Catanzaro, 2012-10-25 From ecosystems to Facebook from the Internet to the global financial market some of the most important and familiar natural systems and social phenomena are based on a networked structure It is impossible to understand the spread of an epidemic a computer virus large scale blackouts or massive extinctions without taking into account the network structure that underlies all these phenomena In this Very Short Introduction Guido Caldarelli and Michele Catanzaro discuss the nature and variety of networks using everyday examples from society technology nature and history to explain and understand the science of network theory They show the ubiquitous role of networks how networks self

organize why the rich get richer and how networks can spontaneously collapse They conclude by highlighting how the findings of complex network theory have very wide and important applications in genetics ecology communications economics and sociology ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**The Lifestyle** Tony Norwen,2019-10-16 This book describes many of the relationships rules and practices involved in alternative adult lifestyles like swinging BDSM and polyamory It was written to dispel some of the myths surrounding these lifestyles and give a basic primer on the true way they work Upon reading this book you should have a better understanding of the importance of sex in modern marriage This book discusses the reason some people choose these lifestyles and the benefits and challenges associated with them It also discusses the role of communication in modern marriage and the reasons why open honest communication benefits not only alternative relationships but traditional ones as well There s advice for single men and single women and we discuss some of the benefits challenges and realities facing singles in the dating world in and out of the lifestyle The author has drawn the most experience from 8 years in the swinger lifestyle but the lessons learned are lessons from which anyone can benefit In this book those life lessons are translated into a perspective of someone who is not in any way interested in becoming involved in swinging BDSM polyamory or any other fetishes or kinks Traditional couples can learn the same lessons that lifestyle people learn without ever having to change their beliefs or invite someone else into their bedroom This book is a tool for understanding the lifestyle and is the farthest thing from a recruitment tool There are more people becoming interested in alternative relationships every day but no guidebook for how to go about living those relationships or overcome some of the challenges they will face This is that guidebook

Everybody's Magazine ,1921 Look for Me and I'll Be Gone John Edgar Wideman,2022-11-22 Forty years after John Edgar Wideman s first book of stories comes this stunning collection that is vital reading for anyone interested in the state of America today Its subjects range from Michael Jordan to Emmett Till from distrust of authority to everyday grief from childhood memories to the final day in a prison cell A boy stands alone in his grandmother s house unable to enter the room in which his grandfather s coffin lies afraid the dead man may speak afraid he won t speak Freddie Jackson s song You Are My Lady plays on the car radio as a son is brought to a prison cell in Arizona A narrator contemplates the Atlanta child murders from 1979 Never satisfied to simply tell a story Wideman continues to push form with stories within stories sentences that rise like a jazz solo with every connecting clause voices that reflect who he is and where he s from and an exploration of time that entangles past and present Whether historical or contemporary intimate or expansive the stories here represent a pioneering American writer whose innovation and imagination know no bounds
