Tall Tales Trilogy:

Tall Tales Trilogy Leslie Ann Garrison, 2001-01-01 The trilogy of *Visions of Murder*, *Mental Grafitti* and *Sniper's Candy* envelope the reader in the adventures of ex officer Stephanie Tall *Howard W. Odum's Folklore Odyssey* Lynn Moss Sanders, 2003 Howard W Odum 1884 1954 the pioneering social scientist and founder of the University of North Carolina's department of sociology played a leading and well documented role in the modernization of the South This is the first book length study of Odum's contributions to southern folklore which had important but largely unappreciated consequences for his legacy of social justice Lynn Moss Sanders shows how Odum as a collector of African American blues and work songs anticipated some important precepts of modern folklore Notably Odum perceived the benefits of a collaborative and nonhierarchical approach to folk studies Influenced by a racially tolerant former student and by one of his black folk informants Odum changed his previous paternal segregationist attitudes about race Comparing Odum's two song collections *The Negro and His Songs* 1925 and *Negro Workaday Songs* 1926 Sanders links the growing influence of Odum's coauthor and former student Guy Johnson to a decrease in instances of racial condescension between the first and second book The three folk novels in Odum's *Black Ulysses* trilogy completed in 1931 also reveal a progressive refinement of Odum's racial views The change Sanders believes came with Odum's growing ability to see John Wesley Left Wing Gordon the black working class model for the trilogy's hero as a friend rather than simply as a representative of the Negro From his authorship of *Social and Mental Traits of the Negro* 1910 now a relic of scientific racism to his final publication *Agenda for Integration* Odum exemplifies how the study of folklore changed the folklorist a change felt by a whole generation of southern liberals whose work Odum encouraged and shaped Rosicrucian Trilogy , 2016-09-01 The *Rosicrucian Trilogy* features modern translations of *Fama Fraternitatis* 1614 *Confessio Fraternitatis* 1615 and *The Chemical Wedding of Christian Rosenkreuz* 1616 with 30 original illustrations by Hans Wildermann Four hundred years ago the publication of these 3 anonymous documents launched the Rosicrucian movement The story of Christian Rosenkreuz and his secretive order as told in the *Fama Fraternitatis* had political repercussions that continue to this day while *The Chemical Wedding* is a landmark in European fantasy fiction This present book offers the 3 founding documents in reliable readable modern English Fully annotated and with modern introductions these new translations explain the historical context shed light on the beginnings of the Rosicrucian Order and bring this fascinating material to a wider readership *The Storm Trilogy* Theodore Huntington, 2023-12-13 All three books in Theodore Huntington's *The Storm Trilogy* now available in one volume Doug Maxwell A boy from a fractured home Doug Maxwell has an incredible secret Having been bestowed amazing strength by an event in his childhood Doug can now work towards fulfilling his greatest wish But after reporter Sue Ohuna notices that something is not quite human about Doug she risks her career trying to uncover his secret As stakes get higher Doug soon needs to make decisions that will change the course of his life Charlie Estrella He's the greatest musician the world has ever

seen but what is the secret behind Charlie Estrella's magical gifts The second book in Theodore Huntington's The Storm Trilogy follows a tale of another supernatural hero This time it is young Charlie Estrella who is granted his greatest wish by the Storm But can he find his true destiny or will he be thwarted by his foes Larry Ever since he was born thoroughbred Larry has faced adversity Bestowed with a miraculous gift by a supernatural storm Larry is climbing to the heights of triumph Protected by his best friend a jockey with her own magical gift Larry gallops through hurdle after hurdle But can he conquer his obstacles and emerge as a symbol of indomitable will
