traditional Judaism The result is a vivid introduction to one of the great documents of religion in society We may compare the framers of the Talmud therefore to a weaver of a tapestry The weaver uses yarn that she has not made yarn that is received from somewhere else But the weaver uses the yarn to execute a vision of her own The threads of the tapestry serve the artist's vision the artist does not weave so that the threads show up one by one The weavers of a tractate of the Bavli as we shall see make ample use of available yarn But they weave their own tapestry of thought And it is their vision not the character of threads in hand that dictates the proportions and message of the tapestry From Chapter 5 *The Lamb Christology of the Apocalypse of John* Loren L.
