Hikayat Indraputra S.W.R. Mulyadi, 2024-08-26 The Hikayat Indraputra or adventures of Indraputra is a fine example of traditional Malay story telling in the form of the prose hikayat It follows the hero through the fantastic realms of jinns and demigods where he wins the hands of beautiful princesses and obtains magic stones to aid him in his battles It is a tale that is well known and must long have been popular among the Malay speaking peoples to judge from the large number of manuscripts that have survived Dr Mulyadi presents the complete Malay text according to the reading of a manuscript dating from 1700 and now kept in the collection of the Royal Institute of Linguistics and Anthropology Leiden She also gives a very full English rendering of the story and enough background information to provide a sound basis for further literary analysis There is ample material here for the student of folklore as well as those interested in the problems of Malay philology This work represents a further step forward in the study of traditional Indonesian literatures hence its place in the series Bibliotheca Indonesica which aims to make texts in critical editions accessible to a wider public Forgotten Values Teresa Kramarz, 2020-08-25 An examination of the conflict between values and bureaucracy in World Bank biodiversity partnerships Multi stakeholder partnerships have become an increasingly common form of global governance Partnerships usually between international organizations IOs or state agencies and such private actors as NGOs businesses and academic institutions have even been promoted as the gold standard of good governance participatory innovative and well funded And yet these partnerships often fail to live up to the values that motivated their establishment In this book Teresa Kramarz examines this gap between promise and performance by analyzing partnerships in biodiversity conservation initiatives launched by the World Bank Kramarz reviews World Bank biodiversity partnerships over a twenty year period with in depth studies of two the Critical Ecosystem Partnership Fund and the Global Invasive Species Program She finds that partnerships fall short when established in the shadow of a large mature bureaucracy Bureaucrats have trouble relinquishing control and they distrust partners who do not abide by set policies and procedures The partnership s potential contribution to biodiversity conservation succumbs to the goals of bureaucratic efficiency Kramarz develops a theoretical framework to explain the gap between values and practice combining rationalist and constructivist approaches Viewing World Bank biodiversity partnerships through this theoretical lens she shows how the World Bank s risk aversion hierarchy focus on rules and procedures and division of labor have a significant influence on partnership outcomes *Jharkhand General Knowledge - 2023 : Essential Book For Jpsc, Jssc, Jtet, Jsesc, Si and All Other Competitive Exam of Jharkhand* Dr. Manish Rannjan (IAS), 2023-05-11 Jharkhand epitomizes a remarkable confluence of diverse natural cultural social political and geographical facets This enchanting land flourishes with mellifluous music and resplendent dance Its people revel in the harmonies of dhol
