The Taming of a Shrew

The 1594 Quarto

Edited by Stephen Roy Miller

Taming Of A Shrew The 1594 Quarto

**William Shakespeare (Dramatiker,
Dichter)**

Taming Of A Shrew The 1594 Quarto:

The Taming of a Shrew Stephen Roy Miller, 1998 This is an edition of the anonymous play which is a version of Shakespeare's *The Taming of the Shrew* **The Taming of the Shrew** William Shakespeare, 1998 *The taming of a shrew* William Shakespeare, 1998 This is a modernized edition of an anonymous play long known to scholars which appears to be an alternative version of Shakespeare's popular comedy *The Taming of the Shrew* Stephen Miller suggests that an anonymous person rewrote Shakespeare's more complicated version making it shorter simpler and different in some ways The main difference between the two plays concerns the framing story of Christopher Sly the drunk who disappears early on in Shakespeare's version *A Shrew* as it is usually known contains additional material for Sly which is familiar to playgoers because it is often included in productions of Shakespeare's play *The Taming of a Shrew* The 1594 Quarto provides a modernized text based upon a re-examination of the quarto and extensive commentary Miller's introduction establishes a direct link between *A Shrew* and *The Shrew* and includes an illustrated stage history TAMING OF A SHREW WILLIAM. SHAKESPEARE, 2018 *The Taming of a Shrew*, 1886 *The Taming of a Shrew, the First Quarto, 1594 (the Play Revized by Another Writer and Shakspeare Into "The Taming of the Shrew")*, a Facsimile... from the Duke of Devonshire's Unique Original, by Charles Praetorius, with Forewords, by Frederick J. Furnivall,... William Shakespeare, 1886 The Taming of a Shrew William Shakespeare, 1886 **The Taming of the Shrew** William Shakespeare, 1886 **"The" Taming of a Shrew** William Shakespeare, 1886 The Taming of a Shrew, 1594 **The Taming of a Shrew** Shakespeare, 1886

Shakespeare-Quarto Facsimiles in Photo-lithography William Shakespeare, Frederick James Furnivall, 1886 The taming of a shrew, 1886 *The Taming of a Shrew* William Shakespeare, 1886 *The Taming of a Shrew* William Shakespeare (Dramatiker, Dichter), 1886 Complete Works William Shakespeare, 2007 An authoritative modernized edition of the complete works of the great Elizabethan dramatist offers the complete texts of every comedy tragedy and history play along with key facts about each work a plot summary major roles sources textual history glossaries and other helpful textual notes **The Taming of a Shrew, the First Quarto, 1594** William Shakespeare, 1886 **The First Quarto of 'The Merry Wives of Windsor'** William Shakespeare, 2020-09-17 The First Quarto of *The Merry Wives of Windsor* is the most fascinatingly problematic of all the early Shakespearean texts Was it an authorial first draft Or a cut down version of the better known Folio text designed for acting Or a text put together from faulty actors' memories Or a reported text assembled by notetakers from attendance at the theatre None of these theories though advanced and interrogated for the last 250 years is totally convincing The Introduction to this edition explores the various attempts to make sense of the short version of the play demonstrating the ways in which preferences for one theory or another reflect the changes in editorial theory and fashion over the centuries The modernised text and its commentary enable the reader to enter into this ongoing and endlessly intriguing debate **Shakespeare, Italy, and Intertextuality** Michele Marrapodi, 2004 Newly available in

paperback this collection of essays written by distinguished international scholars focuses on the structural influence of Italian literature culture and society at large on Shakespeare's dramatic canon Exploring recent methodological trends coming from Anglo American new historicism and cultural materialism and innovative analyses of intertextuality the volume's four thematic sections deal with Theory and practice Culture and tradition Text and ideology and Stage and spectacle In their own views and critical perspectives the individual chapters throw fresh light on the dramatist's pliable technique of dramatic construction and break new ground in the field of influence studies and intertextuality as a whole A rich bibliography of secondary literature and a detailed index round off the volume

Unediting the Renaissance Leah Marcus, 2002-06-01

Unediting the Renaissance is a path breaking and timely look at the issues of the textual editing of Renaissance works Both erudite and accessible it will be a fascinating and provocative read for any Renaissance student or scholar Leah Marcus argues that bad versions of Renaissance texts such as Shakespeare's First Folio should not be viewed as mutilated copies of originals but rather reputable alternatives encoding differences in ideology cultural meaning and other elements of performance Marcus focuses on key Renaissance works *Dr Faustus* *The Merry Wives of Windsor* *The Taming of the Shrew* *Hamlet* and poems by Milton Donne and Herrick to re-examine how editorial intervention shapes the texts which are widely accepted as definitive Examining the cultural attitudes fears and influences which influence textual editors from the seventeenth century to the present day Marcus sheds new light on a previously unexamined aspect of Renaissance studies A lively critique of current theoretical practices *Unediting the Renaissance* will shift the ways in which Shakespeare and his contemporaries are edited and read

When people should go to the books stores, search inauguration by shop, shelf by shelf, it is essentially problematic. This is why we provide the ebook compilations in this website. It will unquestionably ease you to look guide **Taming Of A Shrew The 1594 Quarto** as you such as.
