## **Tammany Hall:**

History of Tammany Hall Gustavus Myers, 2012-03-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The History of Tammany Hall* Gustavus

Myers, 2023-10-29 In *The History of Tammany Hall* Gustavus Myers presents a meticulous examination of one of America's most notorious political organizations Written in a journalistic yet scholarly style the book employs a critical lens to dissect Tammany Hall's origins rise to power and eventual decline integrating contemporary socio-political contexts that illuminate the interplay of corruption and democracy in New York City Myers's work is rich with anecdotes historical accounts and biographical sketches of key figures providing readers with a comprehensive narrative that encapsulates the complex dynamics of urban politics in the late 19th and early 20th centuries Gustavus Myers an esteemed journalist and historian dedicated much of his career to advocating for social justice and uncovering systemic corruption His experiences observing political machinations and his commitment to revealing the underbelly of American governance drove him to investigate the inner workings of Tammany Hall Myers's scholarly pursuits were influenced by the Progressive Movement which sought to address issues of inequality and political malfeasance head on positioning his work within a larger discourse on reform and accountability This book is essential for readers interested in American political history or urban studies as it not only narrates the saga of Tammany Hall but also serves as a cautionary tale about the vulnerabilities of democratic institutions Myers's insightful analysis delivers timeless lessons about power ethics and the ongoing struggle for transparency in governance

*Al Smith's Tammany Hall* William Harvey Allen, 1928 Machine Made: Tammany Hall and the Creation of Modern American Politics Terry Golway, 2014-03-03 Golway's revisionist take is a useful reminder of the unmatched ingenuity of American politics Wall Street Journal History casts Tammany Hall as shorthand for the worst of urban politics graft and patronage personified by notoriously crooked characters In his groundbreaking work *Machine Made* journalist and historian Terry Golway dismantles these stereotypes focusing on the many benefits of machine politics for marginalized immigrants As thousands sought refuge from Ireland's potato famine the very question of who would be included under the protection of American democracy was at stake Tammany's transactional politics were at the heart of crucial social reforms such as child labor laws workers compensation and minimum wages and Golway demonstrates that American political history

cannot be understood without Tammany's profound contribution. Culminating in FDR's New Deal Machine Made reveals how Tammany Hall changed the role of government for the better to millions of disenfranchised recent American arrivals. New York Observer *HIST OF TAMMANY HALL (CLASSIC)* Gustavus Myers, 2016-09-07 Excerpt from History of Tammany Hall. If my narrative furnishes a sad story for the leaders and chieftains of the Tammany Society and the Tammany Hall political organization, the fault is not mine but that of a multitude of incontestable public records. It was in no partisan spirit that I began the work and in none that I now conclude it. I have always been an independent in politics and I have even voted when there seemed to me ample reason for doing so. A Tammany ticket I have tried to set down nothing in malice nor with such exceptions as are obviously necessary with regard to living men to extenuate anything whatever. Those who may be tempted to consider my work partial and partisan on account of the showing that it makes of Tammany corruption and inefficiency will do well to read carefully the pages relating to the Whigs and to some other opponents of Tammany Hall. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com). This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

*Tammany Hall*, Tammany Hall, John Kelly, Democratic Party (New York, N.Y.). General Committee, 1874. The Irish Americans Jay P. Dolan, 2010-02-15 Follows the Irish from their first arrival in the American colonies through the bleak days of the potato famine, the decades of ethnic prejudice and nativist discrimination, the rise of Irish political power and on to the historic moment when John F. Kennedy was elected to the highest office in the land. *The History of Tammany Hall* Gustavus Myers, 2025-03-29 Gustavus Myers's *The History of Tammany Hall* offers a comprehensive look into the infamous New York City political machine. This second edition explores the origins, rise, and impact of Tammany Hall, a powerful force in 19th-century politics. Delve into the inner workings of this Democratic Party institution and its profound influence on the city's social and political landscape. Uncover the intricate details of Tammany Hall's organization, its strategies, and its role in shaping American political processes. Myers meticulously examines the organization's involvement in political corruption and its lasting impact on New York City history. This volume is essential reading for anyone interested in understanding the dynamics of political machines, the complexities of 19th-century American history, and the enduring legacy of Tammany Hall. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
