Tamotzu in Haiku Harriet Kimbro, 1977 Poetry and art blend in this unique little volume *A Dolphin in the Woods*
Composite Translation, Paraversing & Distilling Prose Robin D Gill, 2009-11 Readings combined into a single cluster to
English Japanese poems of Joycean density untranslatable as single poems came to be called composite translations While
this book essays the translation of poetry and glances at other books of multiple translation it is mostly an exhibition of the
art not only intended for serious students or scholars of translation but all word lovers While the author hates how to books
writing the last chapter he came to realize that not only translators but monolingual readers who find it hard to compose
poems or do not know how to get other people to do so might find it instructive He dreams of millions of people working out
their own poems or variations on others work rather than crossword puzzles A crossword solved ends up in the trash with a
