Gabhart, 2022-05-03 If any place on God's earth was designed to help one heal it is Meadowland Surely here at her brother in law's Kentucky farm Rose and her daughters can recover from the events of the recent past the loss of her husband during the 1918 influenza epidemic her struggle with tuberculosis that required a stay at a sanatorium and her girls experience in an orphanage during her illness At Meadowland hope blooms as their past troubles become rich soil in which their faith can grow Dirk Meadows may have opened his home to his late brother's widow and her girls but he keeps his heart tightly closed The roots of his pain run deep and the evidence of it is written across his face Badly scarred by a fire and abandoned by the woman he loved Dirk fiercely guards his heart from being hurt again But it may be that his visitors will bring light back into his world and unlock the secret to true healing Bestselling author Ann H Gabhart explores the tender places within the human heart in this character driven story of trusting God to turn our burdens into something beautiful Gabhart shines in crafting protagonists who exude quiet strength and optimism in search of wholeness With its pastoral setting and reflective characters this cozy read explores the uncertainty present in every new beginning Booklist When the Meadow Blooms is a touching wholesome story about second chances and the possibility we all have for growth Manhattan Book Review      *Dairy Field*, 1984      **Truckee Meadows, Nevada** United States.
