Kanarek,2014-07-31 This book presents a new framework for understanding the relationship between biblical narrative and rabbinic law Drawing on legal theory and models of rabbinic exegesis Jane L. Kanarek argues for the centrality of biblical narrative in the formation of rabbinic law Through close readings of selected Talmudic and midrashic texts Kanarek demonstrates that rabbinic legal readings of narrative scripture are best understood through the framework of a referential exegetical web She shows that law should be viewed as both prescriptive of normative behavior and as a meaning making enterprise By explicating the hermeneutical processes through which biblical narratives become resources for legal norms this book transforms our understanding of the relationship of law and narrative as well as the ways in which scripture becomes a rabbinic document that conveys legal authority and meaning Finding America in Exodus Michael J. Broyde,Reuven Travis,2022-09-28 God s charge to the Jewish people at Sinai was to be a kingdom of priests and a holy nation Nowhere is freedom found in this exhortation even though the Jews had been freed from slavery only seven weeks prior That is because the Jews were not liberated merely to become a free people God wanted them and expected them to evolve into a nation committed to creating a law abiding society From this perspective freedom is just a necessary precondition to achieving this America s founders understood this and wove this idea into the basic fabric of the democracy they were creating What has for centuries set America apart from other nations is its synergistic linking between

freedom and the law which of course is something that goes to the heart of the Exodus story The first of the national goals enumerated in the preamble to the US Constitution is to form a more perfect Union followed by to establish Justice We truly believe that America is and always has been a great country Yet greatness does not equate to perfection and America s history is marked by episodes slavery foremost among them that were far from the founder s stated goals for their emerging nation Falling short of the mark as the American and Jewish people have done more times than either would like to remember does not negate their aspirational national goals It just means that we must be prepared to honestly assess morally challenging situations when they arise and then recommit ourselves to our goals be it becoming a kingdom of priests and a holy nation or creating a more perfect Union Never losing sight of this is the true enduring lesson of Exodus

**Mirror of His Beauty** Peter Schäfer, 2018-06-05 In this beautifully realized study Peter Sch fer investigates the origins of a female manifestation of God in Jewish mysticism The search itself is a fascinating exploration of the idea of a feminine divinity And Sch fer s surprising but persuasive conclusions yield deeper understanding of the complex but frequently intimate relationship between Christianity and Judaism and of the development of religious concepts more generally Toward the end of the twelfth century a small book titled the Bahir Light appeared in Provence The first document of Judaism s emerging kabbalistic movement it introduced a completely new view of God one that included a divine potency that was essentially female This female divinity was portrayed both as a mediator between Jews and God and as part of the Godhead itself Examining Judaic history from the biblical Wisdom tradition to the Middle Ages Sch fer finds some precedents for the Kabbalah s feminine divinity But he cannot account for her forceful appearance in twelfth century southern France without reference to the immediate Christian environment particularly the flourishing veneration of the Virgin Mary Indeed twelfth century Jews and Christians were simultaneously rediscovering the feminine as an aspect of the Godhead after having abandoned it in favor of either an abstract disembodied God or an exclusively male one In proposing that the medieval cult of Mary rather than eastern Gnosticism is the appropriate framework for understanding the feminine elements in Jewish mysticism Mirror of His Beauty represents a sea change in Kabbalah and Jewish Christian cultural studies It shifts our attention from the Byzantine East to the Latin Christian West And in contrast to histories that treat the development of Judaism and Christianity in isolation it leads us to a fuller understanding of Jews and Christians living in proximity aware of each other

**The Wiles of Women/The Wiles of Men** Shalom Goldman, 2016-03-22 One of the world s oldest recorded folktales tells the story of a handsome young man and the older woman in whose house he resides Overcome by her feelings for him the woman attempts to seduce him When he turns her down she is enraged and to her husband she accuses the young man of attacking her The husband seemingly convinced of his wife s innocence has the young man punished But it is precisely that punishment that leads to the hero s vindication and eventual rise to power and prominence In the West we know this tale classified in folklore as the Potiphar s Wife motif from its vivid narration in the Hebrew Bible But as Shalom

Goldman demonstrates in this book the Bible is only one telling of a story that appears in the scriptures and folklore of many peoples and cultures in many different eras including ancient Egypt classical Greece and ancient Mesopotamia as well as post Biblical Jewish literature the Qur'an and Inuit culture Goldman compares and contrasts the treatment of this motif especially in the literature and lore of the ancient Near East Biblical Israel and early Islam at the same time touching on gender issues the status of women in Middle Eastern societies and the varying constructions of male female relationships and the vexed question of originality in the narratives of the monotheistic traditions

**Polemical and Exegetical Polarities in Medieval Jewish Cultures** Ehud Krinis, Nabih Bashir, Sara Offenberger, Shalom Sadik, 2021-10-25 In his academic career that by now spans six decades Daniel J Lasker distinguished himself by the wide range of his scholarly interests In the field of Jewish theology and philosophy he contributed significantly to the study of Rabbinic as well as Karaite authors In the field of Jewish polemics his studies explore Judeo Arabic and Hebrew texts analyzing them in the context of their Christian and Muslim backgrounds His contributions refer to a wide variety of authors who lived from the 9th century to the 18th century and beyond in the Muslim East in Muslim and Christian parts of the Mediterranean Sea and in west and east Europe This Festschrift for Daniel J Lasker consists of four parts The first highlights his academic career and scholarly achievements In the three other parts colleagues and students of Daniel J Lasker offer their own findings and insights in topics strongly connected to his studies namely intersections of Jewish theology and Biblical exegesis with the Islamic and Christian cultures as well as Jewish Muslim and Jewish Christian relations Thus this wide scoped and rich volume offers significant contributions to a variety of topics in Jewish Studies
