Tangled Womb:

The Dark Womb Karen O'Donnell, 2022-02-28 The experience of reproductive loss raises a series of profoundly theological questions how can God have a plan for my life Why didn't God answer my prayers How can I have hope after such an experience Who am I after such a loss Sadly these are questions that along with reproductive loss have largely been ignored in theology Karen O'Donnell tackles these questions head on drawing on her own experiences of repeated reproductive loss as she re-conceives theology from the perspective of the miscarrying person Offering a fresh original and creative approach to theology O'Donnell explores the complexity of the miscarrying body and its potential for theological revelation She offers a re-conception of theologies of providence prayer hope and the body as she reimagines theology out of these messy origins This book is for those who have experienced such losses and those who minister to them But it is also for all those who want to encounter a creative and imaginative approach to theology and the life of faith in our messy complex world

I Cannot Control Everything Forever Emily C. Bloom, 2024-04-16 One of TIME magazine's 100 Must Read Books of 2024 A New Yorker Best Book of the Year An eloquent and intimate debut memoir about navigating the gap between expectation and reality in modern motherhood I Cannot Control Everything Forever is Emily Bloom's journey towards and through motherhood a path that has become for the average woman laden with data and medical technology Emily faces decisions regarding genetic testing and diagnosis technologies that offer the illusion of certainty but carry the weight of hard decisions Her desire to know more thrusts her back into the history of science as she traces the discoveries that impacted the modern state of pregnancy and motherhood With the birth of their daughter who is diagnosed with congenital deafness and

later Type 1 diabetes Emily and her husband find their life centered around medical data devices and doctor's visits but also made richer and fuller by parenting an exceptional child As Emily learns technology and data do not reduce the labor of caretaking These things often fall as the pandemic starkly revealed on mothers Trying to find a way out of the loneliness and individualism of 21st century parenthood Emily finds joy in reaching outwards towards art and literature such as the maternal messiness of Louise Bourgeois or Greek myths about the power of fate as well as the collective sustenance of friends and community With lyrical and enchanting prose *I Cannot Control Everything Forever* is an inspired meditation on art science and motherhood **Untangled** Carey Scott, 2015-05-26 All women want to feel is valued But problems arise when we seek confirmation that we are enough using the world's standards Almost from birth we are trained to find the approval and acceptance we crave in the eyes of family friends and even strangers The result is that we cannot believe we are who God says we are accepted loved beautiful and treasured We get tangled up in the world's assessment and our own self judgment With hope filled writing and plenty of hard won personal advice Carey Scott shows women how to untangle their self esteem from the world and anchor it in Jesus She lovingly shows readers that God was intentional in how he made them and that he is well pleased with his work Women will learn practical strategies to escape unattainable standards and the performance based measuring stick of the world and find comfort in the fact that they are not alone on the journey

Noyes, 2014-08-13 Her journey of recovery from bipolar disorder and her insights are described in this book an autobiography of Carol Noyes When Carol went through mid life crisis in the spring of 2006 her world was turned upside down Carol was able to wean herself off drugs after over four years on psychiatric medications She found natural alternatives that effectively helped her to recover and to lead a productive life Carol believes that the current medical paradigm is inadequate and often unable to help individuals to heal and to bounce back Carol nearly died from a combination of the swine flu and lithium poisoning Her descent to the bottom of the metaphorical well provided the impetus for her to research non drug therapies These therapies along with faith hope and courage brought Carol back to a peaceful life Carol recounts her life and investigates the factors that precipitated imbalance She writes about her extraordinary experiences during expanded states of consciousness She also delves into the world of symbols and mythologies describing how they became poignant for her Carol calls her experience a time of spiritual awakening a time of developing self esteem learning to love herself and finding her true purpose She hopes that her insights will help others going through spiritual crisis Those interested in humanistic psychology personal growth and spirituality may find this book fascinating **Voices and Silence in the Contemporary Novel in English** Vanessa Guignery, 2009-10-02 This volume examines the various processes at work in expressing silence and excessive speech in contemporary novels in English covering the whole spectrum from effusiveness to muteness Even if in the postmodern episteme language is deemed inadequate for speaking the unspeakable contemporary authors still rely on voice as a mode of representation and a

performative tool and exploit silence not only as a sign of absence block or withdrawal but also as a token of presence and resistance Logorrhoea and reticence are not necessarily antithetical as compulsive verbosity may work as a smokescreen to sidestep the real issues while silences and gaps may reveal more than they hide By submitting their texts to both expansion and retention hypertrophy and aphasia writers persistently test the limits of language and its ability to make sense of individual and collective stories The present volume analyses the complex poetics of silence and speech in fiction from the 1960 s to the present with special focus on Will Self Graham Swift John Fowles Kazuo Ishiguro Jenny Diski Lionel Shriver Mich le Roberts Margaret Atwood Jonathan Safran Foer Salman Rushdie Arundhati Roy Zadie Smith Jamaica Kincaid Ryhaan Shah and J M Coetzee

After 69 CE - Writing Civil War in Flavian Rome Lauren Donovan Ginsberg, Darcy Anne Krasne, 2018-12-17 The fall of Nero and the civil wars of 69 CE ushered in an era scarred by the recent conflicts Flavian literature also inherited a rich tradition of narrating nefas from its predecessors who had confronted and commemorated the traumas of Pharsalus and Actium Despite the present surge of scholarly interest in both Flavian literary studies and Roman civil war literature however the Flavian contribution to Rome's literature of bellum civile remains understudied This volume shines a spotlight on these neglected voices In the wake of 69 CE writing civil war became an inescapable project for Flavian Rome from Statius's fraternal acies and Silius's suicidal Saguntines to the internecine narratives detailed in Josephus's Bellum Iudaicum and woven into Frontinus's exempla Flavian authors' preoccupation with civil war transcends genre and subject matter This book provides an important new chapter in the study of Roman civil war literature by investigating the multi-faceted Flavian response to this persistent and prominent theme
