**Tangled roots. Life is a Story - story.one** Claudia Visa,2023-08-30 Sheba yearned for her life to begin But that could only happen when she d gotten what she d always wanted a family Only then could the agony of the thought be replaced by bliss Only then could she begin to live Being a bastard is hard anywhere but rural eastern Europe after the Great War was its own brand of brutal Still Sheba survived and even found love in spite of it all But miscarriage after miscarriage replaced hope with doubt then despair and finally torture She could let go of the hope for a happier past but not for that of a happier future An overwhelming choice loomed over her How could she ever choose between the love of her life and her future children when neither one could bring her happiness without the other Everything she had painstakingly tried to build was threatening to come crashing down Could the fortune teller have been right Was what she already had enough Or was letting go giving up

**Awakened by My Angels** Maxine Allen Rifenburgh,2017-01-03 This book is based upon poetry written as the words flowed through my head that I immediately knew I had to write down Some of the poems are heartbreakingly written from my perspective of being hit and called names that broke my heart and soul during my marriage Other poems are written from hearing my angels as I wrote down the poems and still others from my dreams at night with the message I gained from the dreams I reconnected with God and my angels over this period We are not left when family members pass away They are still with us I hope in writing my story I give hope to those who need it inspire others to reach out to those in need and bring strength to survivors of domestic violence **Why Docudrama?** Alan Rosenthal,1999 Defining and examining the rationale of docudrama the nine essayists in the first part discuss the history and development of docudrama on TV and in film they also consider the place of truth in docudrama the main critiques of the form and the audience s susceptibilities and expectations In investigating the actual filmmaking process the eight essays in the second part focus on how docudrama as a

commodity is created in the United States and England Part essay part case study and part interview this section also explores how Hollywood and the commercial networks as well as producers and writers work and think The final part presents an in depth critique of a number of controversial docudramas that have helped form and shape public opinion including Battleship Potemkin Roots Reds JFK Mississippi Burning Schindler s List and In the Name of the Father *After Aquarius Dawned* Judy Kutulas,2017-03-16 In this book Judy Kutulas complicates the common view that the 1970s were a time of counterrevolution against the radical activities and attitudes of the previous decade Instead Kutulas argues that the experiences and attitudes that were radical in the 1960s were becoming part of mainstream culture in the 1970s as sexual freedom gender equality and more complex notions of identity work and family were normalized through popular culture television movies music political causes and the emergence of new communities Seemingly mundane things like watching The Mary Tyler Moore Show listening to Carole King songs donning Birkenstock sandals or reading Roots were actually critical in shaping Americans perceptions of themselves their families and their relation to authority Even as these cultural shifts eventually gave way to a backlash of political and economic conservatism Kutulas shows that what critics perceive as the narcissism of the 1970s was actually the next logical step in a longer process of assimilating 1960s values like individuality and diversity into everyday life Exploring such issues as feminism sexuality and race Kutulas demonstrates how popular culture helped many Americans make sense of key transformations in U S economics society politics and culture in the late twentieth century **Trees, Shrubs & Hedges for Your Home, 4th Edition** Editors of Creative Homeowner,2023-06-20 Landscape professionals regard trees shrubs and hedges as the essential framework of any landscape design The trick is to select the best plants for your growing conditions and plants that also look good together Trees Shrubs Hedges for Your Home 4th Edition is a comprehensive guide that will show you how to achieve a beautiful landscape while also providing descriptions for over 1 000 of the best plants that are beautiful low maintenance pest and disease resistant and easily available at local nurseries and home centers This newly updated edition focuses on native plants and excludes invasive shrubs and trees It also features updated plant names as well as recommendations for the latest and best gardening practices clean green repellents that are environmentally conscious Featuring complete instruction and inspiration to landscapes for four season interest color and beauty learn how to select and cultivate the best and harmonious plants with confidence Birds & Nature Magazine Charles C. *Beasts of New York* Jon Evans, 2014-05-14

Patch knows something is direly wrong when all the squirrels in Central Park wake to find every food store stolen and in the middle of winter that means starvation. Patch's mother is gone without a trace, and in her den drifts a musky, unfamiliar scent. Hungry, tired, and alone, Patch sets off into the mountains, the human lands of New York City, to find food and to uncover what's happening to his family. He finds out too late that a war is brewing beneath his paws. Patch is swept into a deadly battle that unites squirrels, birds, cats, and dogs against vicious forces below the ground, rumoured to be led by the mysterious, legendary King. Beneath is gripping and suspenseful. *Beasts of New York* is a

gritty urban fantasy populated by unforgettable characters as vivid and complicated as humans from mercurial Zelina the Queen of All Cats to Snout a massive and power hungry rat to Karmerruk an arrogant dangerous hawk Evans s New York City of wildlife is deeply imagined the urban landscape wavers between the familiar and the disturbingly bizarre while Jim Westergard s intricate wood engravings illuminate the settings and many characters Evans a master of dark crime thrillers brings his fast paced energy to an entirely new world one right under our feet

**The Roots Beneath** Zunaid Hossain, In a world where the echoes of the past refuse to fade an ancient curse stirs beneath the surface spreading its roots through desolate lands and abandoned lives The Roots Beneath Whispers of the Forgotten Curse follows the harrowing journey of Amy and Nate as they venture into the unknown drawn by a mysterious key that holds the promise of salvation or destruction Once vibrant towns are now lifeless husks their inhabitants lost to whispers that weave through the air like smoke In their search for answers Amy and Nate must confront the secrets buried within a forgotten mansion unravel the tragedies of the past and face the malevolent force that seeks to consume everything in its path As the curse tightens its grip the line between survivor and savior blurs Battling tendrils of darkness and fragments of a shattered evil the two must confront not only the horrors around them but also the shadows within their own hearts The Roots Beneath is a haunting tale of resilience sacrifice and the unyielding fight for hope in the face of despair For fans of atmospheric horror and stories that linger long after the final page this is a journey into the heart of darkness and beyond
