Tank Warfare In The Second World War An Oral History

James Dunnigan

Tank Warfare In The Second World War An Oral History:

Tank Warfare in World War II George Forty, 2004 **Weapons of the Tankers** Harry Yeide, 2006 M4 Sherman at War, 2007 It was not the most heavily armored tank it was tall and ungainly and its firepower couldn't match the German tanks it faced but by dint of sheer numbers and downright reliability the M4 Sherman became the winning workhorse of World War II This book gives readers an inside look at one of the best known American tanks from the point of view of tankers and other military personnel who experienced the M4 Sherman firsthand With diagrams and descriptions of various components it also details the triumph of American industry which came into the war without a modern tank and overcame the Axis powers with 50 000 M4 Shermans From harrowing first person accounts of tank combat to close ups of the M4 Sherman's mechanical make up this book gives readers an unprecedented insight into the tank that more than any other embodied American pluck and power British Armour in the Normandy Campaign John Buckley, 2004-07-22 This book is an innovative study of the Normandy campaign and the perceived failure of British forces there It is essential reading for all students of military history and general readers with an interest in the subject **The Last Full Measure** Michael Stephenson, 2013-06-04 Behind every soldier's death lies a story What psychological and cultural pressures brought him to his fate What lies and truths convinced him to march toward his death Covering warfare from prehistory through the present day The Last Full Measure tells these soldiers' stories ultimately capturing the experience of war as few books ever have In these pages we march into battle alongside the Greek phalanx and the medieval foot soldier We hear gunpowder's thunder in the slaughters of the Napoleonic era and the industrialized killing of the Civil War and recoil at the modern automated horrors of both World Wars Finally we witness the death of one tradition of heroic combat and the construction of another in the wars of the modern era ranging from Vietnam to America's latest involvements in Iraq and Afghanistan Combining commanding prose impeccable research and a true sensitivity to the combatant's plight The Last Full Measure is both a remarkably fresh journey through the annals of war and a powerful tribute to the proverbial unknown soldier **American Military History** Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums **The Infantry's Armor** Harry Yeide, 2010-02-17 Tanks amphibian tanks and amphibian tractors in action in all theaters from Africa and Europe to the Pacific How the battalions fought the war often

in the tankers own words Crystal clear maps The U S Army s separate armored battalions fought in obscurity by comparison with the flashy armored divisions but they carried the heavier burden in the grim struggle against the Axis in World War II The battalions participated in every armored amphibious assault that the army conducted They did most of the bloody work in Italy made vital contributions in France and constituted the entire effort in the Pacific **Women in War** Celia Lee,Paul Edward Strong,2012-06-19 The changing role of women in warfare a neglected aspect of military history is the subject of this collection of perceptive thought provoking essays By looking at the wide range of ways in which women have become involved in all the aspects of war the authors open up this fascinating topic to wider understanding and debate The discuss how particularly in the two world wars women have been increasingly mobilized in all the armed services originally as support staff then in defensive combat roles They also consider the tragic story of women as victims of male violence and how women have often put up a heroic resistance and examine how women have been drawn into direct combat roles on an unprecedented level a trend that is still controversial in the present day The collection brings together the work of noted academics and historians with the wartime experiences of women who have remarkable personal stories to tell The book will be a milestone in the study of the recent history of the parts women have played in the history of warfare AuthorsDr Juliette Pattinson Professor Mark Connelly Georgina Natzio Christine Halsall Jonathan Walker Major Imogen Corrigan Dr Halik Kochanski Dr T A Heathcote Elspeth Johnstone Mike Ryan Grace Filby Dr George Bailey Tatiana Roshupkina Leicester Chilton Paul Edward Strong Celia Lee John Lee **Tanks** Spencer C. Tucker,2004-10-25 This expert study discusses the development and evolution of the tank and the tactics behind its employment covering both its capabilities as a weapons system and its strategic use on the battlefield Tanks An Illustrated History of the Their Impact follows the development of tracked and armored fighting vehicles across the 20th century from the world wars to the Cold War battlefields of Korea and Vietnam and from Arab Israeli conflicts to the Persian Gulf The book describes the distinctive characteristics and capabilities of each new generation of tank as well as the formulation of armored doctrines and deployment strategies in France Britain Germany the Soviet Union the United States Japan Israel and the Arab nations It is an expert introduction to how the role of the tank has changed over time a story of technological innovation strategic daring desperate battles Stalingrad Kursk and charismatic commanders like Erwin Rommel and George S Patton who defeated Rommel s division by following a plan from the Desert Fox s own book **Tanks of World War II Up Close** Martin J. Dougherty,2015-12-15 During World War II tanks and armored fighting vehicles evolved as their production increased Designs varied as they were equipped with larger guns turrets radios and other features for specialized tasks Readers will get a detailed view of the Whippet Tiger Maus and many other tanks with a particular focus on the specifications and armament attachments Each tank s role in the war is described alongside photographs of it in battle providing a look into military technology that will entrance military history buffs and reluctant readers **Innovation In The Face Of Adversity: Major-General Sir Percy Hobart And The 79th Armoured**

Division (British) Major Michael J. Daniels, 2015-11-06 On 11 March 1943 the Chief of the British Imperial General Staff Field Marshal Sir Alan Brooke made a momentous decision in committing an entire British armored division the 79th to the task of developing equipment tactics and capabilities to penetrate the Atlantic Wall in anticipation of an Allied amphibious invasion of northwest Europe British leaders chose Major General Sir Percy Hobart to command this division largely because of Hobart's affinity for leading and training armored formations but also due to Hobart's reputation as an individualist known to seek out unique solutions to unforeseen challenges This thesis examines the wartime history of this unit concentrating on aspects of equipment tactics organization and leadership that enabled it to ultimately succeed beyond anyone's expectations More important this organization provides valuable lessons for current transformation efforts The key lessons that this subject provide include the need for leadership that combines vision with action a close cooperation between the military industrial complex and the end user and allowing space in the force structure for a unit that can perform not only standard combat missions but can also serve as experimentation test bed and conduit for new ideas whether in the form of capabilities organizational structure or doctrine

World War II in Europe, Africa, and the Americas, with General Sources Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war

US Tank and Tank Destroyer Battalions in the ETO 1944-45 Steven J. Zaloga, 2011-03-15 Overshadowed by the United States Army's armored divisions the separate tank and tank destroyer battalions had the difficult mission of providing armored support for US infantry divisions in the 1944-45 campaigns This book details the organizational structures and deployment of these units the standard tank battalions tank battalions light tank battalions mine exploder and tank battalions special self propelled and towed tank destroyer battalions It also covers the tactics used by these units in their attempts to assist the infantry as well as providing a listing of all the battalions that took part in the Northwest Europe campaign

Armor, 1997 The magazine of mobile warfare

The United States and the Second World War G. Kurt Piehler, Sidney Pash, 2010 In this text Piehler and Pash bring together a collection of essays offering an examination of American participation in the Second World War including a long overdue reconsideration of such seminal topics as the forces leading the US to enter World War II the role of the American military in the Allied victory and more

The World War II Bookshelf James Dunnigan, 2005-08 Unlike any conflict before or since World War II was a truly worldwide war with dozens of nations participating in significant battles in virtually every corner of the globe In this definitive guide military analyst James F Dunnigan chooses fifty titles out of the many thousands of books published on the subject as being the most worthy of a place in an enthusiast's library The books Dunnigan chooses offer powerful and moving journeys into the heart of battle and are accompanied by candid and controversial essays sure to spur discussion and investigation

Tank Warfare in the Second World War George Forty, 1998 The tank is only as good as its crew who are required to fight in a noisy jarring explosive filled box knowing that at any moment they could be blown to bits Lieutenant Colonel George Forty who himself served for 32 years in Britain's Royal Tank Regiment has gathered a vast range of firsthand accounts from the crewmen of both Allied and Axis powers covering every theater of the war The accounts are sometimes deceptively humorous typifying the bravado shown by soldiers in the face of danger almost all are revealing and deeply affecting Illustrated with many previously unpublished photographs Tank Warfare in the Second World War is essential reading for those interested in military history

Citizen Soldiers Stephen E. Ambrose, 2013-04-23 From Stephen E Ambrose bestselling author of Band of Brothers and D Day the inspiring story of the ordinary men of the U S army in northwest Europe from the day after D Day until the end of the bitterest days of World War II In this riveting account historian Stephen E Ambrose continues where he left off in his 1 bestseller D Day Citizen Soldiers opens at 0001 hours June 7 1944 on the Normandy beaches and ends at 0245 hours May 7 1945 with the allied victory It is biography of the US Army in the European Theater of Operations and Ambrose again follows the individual characters of this noble brutal and tragic war From the high command down to the ordinary soldier Ambrose draws on hundreds of interviews to re create the war experience with startling clarity and immediacy From the hedgerows of Normandy to the overrunning of Germany Ambrose tells the real story of World War II from the perspective of the men and women who fought it

Saipan & Tinian 1944 Gordon L. Rottman, 2011-03-15 An in depth examination of the United States invasion of two Pacific islands featuring a variety of illustrations throughout The 1944 invasion of Saipan was the first two division amphibious assault conducted by US forces in World War II Saipan and Tinian had been under Japanese control since 1914 and heavily colonized they were considered virtually part of the Empire The struggle for Saipan and Tinian was characterized by the same bitter fighting that typified the entire Central Pacific campaign Fighting side by side Army and Marine units witnessed the largest tank battle of the Pacific War massed Japanese banzai charges and the horror of hundreds of Japanese civilians committing suicide to avoid capture In this book Gordon Rottman details the capture of these vital islands that led to the collapse of Prime Minister Tojo's government

We Gave Our Today William Fowler, 2009-02-26 The Lost Voices of our Forgotten Army in the war with Japan 1941-45 Nearly a million strong by 1944 the British 14th Army fought and ultimately conquered the Japanese forces that invaded Burma and strove to break through into India But the victory was hard won with great suffering along the way With

priority given to defeating Germany these troops were last in line for additional men and equipment and they joked about being The Forgotten Army Here is the story of these remarkable soldiers whose monument at Kohima reads When You Go Home Tell Them Of Us And Say For Their Tomorrow We Gave Our Today

The Engaging World of Kindle Books: A Detailed Guide Revealing the Advantages of Kindle Books: A World of Convenience and Flexibility E-book books, with their inherent portability and simplicity of access, have liberated readers from the limitations of hardcopy books. Tank Warfare In The Second World War An Oral History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Tank Warfare In The Second World War An Oral History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Tank Warfare In The Second World War An Oral History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Tank Warfare In The Second World War An Oral History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Tank Warfare In The Second World War An Oral History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
