Tanks amphibian tanks and amphibian tractors in action in all theaters from Africa and Europe to the Pacific How the battalions fought the war often in the tankers own words Crystal clear maps The U S Army s separate armored battalions fought in obscurity by comparison with the flashy armored divisions but they carried the heavier burden in the grim struggle against the Axis in World War II The battalions participated in every armored amphibious assault that the army conducted They did most of the bloody work in Italy made vital contributions in France and constituted the entire effort in the Pacific

**Landing in Hell** Peter Margaritis, 2020-01-10 A detailed history and analysis of the most controversial amphibious operation in the Pacific during WWII the Battle for Peleliu On September 15 1944 the United States invaded the tiny Pacific island of Peleliu located at the southern end of the Palau Islands Boasting a large airfield from which the Americans could mount bomber campaigns Peleliu was a strategically essential part of Gen MacArthur s long awaited liberation of the Philippines With the famed 1st Marine Division making the amphibious assault Pacific High Command was confident that victory would be theirs in just a few days They were drastically wrong A mere week after landing having sustained terrific losses in fierce combat the 1st Marine Regiment was withdrawn The entire division would be out of action for six months after sustaining the highest unit losses in Marine Corps history This book analyzes the many things that went wrong in the Battle for Peleliu and in doing so corrects several earlier accounts of the campaign It includes a comprehensive account of the presidential summit that determined the operation details of how new weapons were deployed a new enemy strategy and command failure in what became the most controversial amphibious operation in the Pacific during WWII **Coward at the**

**Bridge** James Delingpole, 2009-06-01 Trapped in a cupboard with a nubile blonde nymphomaniac crossing the Waal under a hail of fire with the US paratroops of 82ndairborne rattling in a jeep through the Dutch countryside with the men of 1stAirborne Recce Squadron trying to take out a self propelled gun with a ruddy useless PIAT It s all in a day s work for Lt Dick Coward and Sgt Tom Price on their second published adventure After the horrors of D Day they find themselves plunged into even greater chaos and mayhem as they land in the deceptively tranquil countryside around Arnhem Holland as part of

Operation Market Garden What should be a pushover the ingenious scheme that everyone thinks will end the war by Christmas turns into Britain's biggest military disaster of the Second World War But if it's a cock up by golly is it a glorious one Rarely if ever have Allied soldiers acquitted themselves better than the British Americans and Poles as they fought against the might of the SS in their bid to capture The Bridge Too Far As usual Coward and Price are in the thick of it They have to be If Coward doesn't get a VC this time he'll be booted off the family estate for good and stand no chance of winning the heart of the fickle dangerously beguiling Gina Will he get the medal Will he get the girl Will Price be driven so mad by his master's Bertie Wooster like stupidity that he ends up throttling him first

**The Hitler Youth, Gristle for the Reich's Mill** David G Williams, 2014-11-21 How was it an entire cultured nation allowed their children to be raised by a political party with an ideology of hate Stories of the fanatical bravery of the young men and children of the Reich on the battlefields of Europe are abundant It is easy to admire the courage of the Hitler Youth as they battled relentlessly against the Allied and Soviet armies But when one looks at it in the cold light of day one cannot fail to be overwhelmed with the senseless loss of life Millions butchered for an old man's nightmare vision of a world he hated and wanted to see burn His failure to face the facts combined with the Allies demand for unconditional surrender resulted in an entire generation consumed to the abyss The Wehrmacht the Hitler Youth the Volkssturm and the children were all in the end just gristle for the Reich's mill This book covers the whole story of a generation of young Germans from the rebirth of a Nation to its consignment to the abyss and their role in this calamity Includes many photos

**Trampships Tankers and Polite Conversation** John Lee, 2007 When John Lee joined the Merchant Navy he had no idea of the adventures which were to come his way over the next ten years An innocent sixteen year old from East Yorkshire he was first apprenticed to the toughest of trampship companies before experiencing the potentially explosive delights of life on an oil tanker Finally as a young officer enjoying rather more civilised surroundings he is obliged to learn the art of polite conversation as he mixes with affluent first class passengers and takes charge of a memorable rescue at sea The book is a fascinating insight into life in the Merchant Navy of the 1950's and 60's peppered with a wealth of characters and stories Often hilarious but always truthful and entertaining life on board and in port is described in all its facets the typhoons icy bone chilling North Atlantic gales freak waves and near disasters awful food and the demon drink The stories and anecdotes come thick and fast of gnarled seadogs and eccentric captains knife fights and bandits as well as sex pests and the beguiling females who haunt the dock gates This entertaining book is a window on a way of life now largely gone a tribute to that unique breed of men who put their skills and mettle to the test as they crossed the wild unforgiving oceans of the world
