II For this book Wolfgang W E Samuel a childhood refugee himself after the fall of Nazi Germany interviewed twenty seven men and women who as children by chance and sheer resilience survived Allied bombs invading armies hunger and chaos Our eyes carried no hate only recognition of what was Samuel writes of his childhood Peace was an abstraction The world we Kinder knew nearly always had the word war appended to it Samuel s heartfelt narratives from these innocent survivors are invariably riveting and often terrifying Each engrossing story has perilous and tragic moments school children in Leuna who are sent home during an air raid but are strafed as moving targets fathers who exist only as distant figures returning to their families long after the war or not at all mothers who are raped and tortured families who are forced into a seemingly endless relocation that replicates the terrors of war itself In capturing such experiences from nearly every region of Germany and involving people of every socio economic class this is a collection of unique memories but each account contributes to a cumulative understanding of the war that is more personal than strategic surveys and histories For Samuel and the survivors he interviewed agony and fright were part of everyday life just as were play wondrous experience and above all perseverance My focus Samuel writes is on the astounding ability of a generation of German children to emerge from debilitating circumstances as sane and productive human beings **Stockdog Savvy** Jeanne Joy Hartnagle-Taylor,Ty Taylor,2019-05-17

La Grange County Sewer District Sanitary Sewer Construction [MI,IN] ,1996 The 47 B.D. Boone,2009-03-05

They say history repeats itself In the near future Jim Proffitt leads a group of men loyal to him When a false ally from his past becomes his greatest adversary Jim is the only one who can stand against him In a selfless act of sacrificing himself he puts a daring plan into motion to save the world It will be up to his sons to continue the fight after he is gone But to do so they must choose their own path without their fathers help Without that guidance will their fate continue on the path that Jim has laid before them or will they fall from grace and side against those who still follow their fathers will One above all others knows the final outcome But will he choose to meddle in the affairs of man or stand idle and let fate decide the outcome The difference will either be hell on earth or peace for a thousand years

The Phoenix Keeper S. A. MacLean,2024-08-13 Set in a magical zoo teeming with mythical beasts from dragons and unicorns to kelpies and krakens The Phoenix Keeper is a fierce joy of a cozy fantasy novel with a soul restoring queer romance at its heart for fans of The House in the Cerulean Sea and Legends and Lattes As head phoenix keeper at a world renowned zoo for magical creatures Aila s childhood dream of conserving critically endangered firebirds seems closer than ever There s just one glaring caveat her zoo s breeding program hasn t functioned for a decade When a tragic phoenix heist sabotages the flagship initiative at a neighboring zoo Aila must prove her derelict facilities are fit to take the reins But saving an entire species from extinction requires more than stellar animal handling skills Carnivorous water horses tempestuous thunderhawks mischievous dragons Aila has no problem wrangling beasts But mustering the courage to ask for help from the hotshot griffin keeper at the zoo s most popular exhibit Virtually impossible Especially when that hotshot griffin keeper happens to be her arch rival from college Luciana an annoyingly brooding and insufferable know it all with the face of a goddess who s convinced that Aila s beloved phoenix would serve their cause better as an active performer rather than as a passive conservation exhibit With the world watching and the threat of poachers looming Aila s success is no longer merely a matter of keeping her job She is the keeper of the phoenix and the future of a species and her love life now rests on her shoulders
