Tao Te Ching A New Translation With Commentary:

The Illustrated Tao Te Ching Laozi, Stephen Hodge, 2002 The Tao Te Ching is a classic work of ancient Chinese philosophy It has been translated into virtually every written language in the world with more than 60 versions existing in English alone This brand new translation with modern commentary by a student of Eastern Asian culture is of unusual value in that it reflects recent manuscript discoveries in China Examined in light of modern scholarship methods the discoveries suggest that previous translations of this seminal philosophical work are wrong in several important details Stephen Hodge's commentaries explore the Tao Te Ching by placing its concepts and observations in the context of ancient Chinese culture and then pointing out the philosophy's key ideas as they relate to the lives of men and women today In discussing the limitations of words and language he emphasizes our need to go beyond words in our quest for universal truths The philosophical work's traditional 81 short chapters are arranged thematically and are supplemented with commentary that explains both the ancient and modern significance of each text More than 100 photographs complement the text with scenes of natural peace and serenity

Tao Te Ching Laozi, 2005 **The Illustrated Tao Te Ching** Laozi, Stephen Hodge, 2002 The Tao Te Ching is one of the most translated books of all time Yet in the light of very recent manuscript discoveries made in China and the findings of modern scholarship it has become apparent that the traditional view of this seminal Chinese philosophical classic is wrong in many respects This new version aims to introduce the general reader to a deeper understanding of the ancient and contemporary significance of this text *The Tao of the Tao Te Ching* Michael LaFargue, 2010-03-31 In this new translation and commentary LaFargue interprets the concept of Tao in the Tao Te Ching as a spiritual state of mind cultivated in a particular school in ancient China a state of mind which also expressed itself in a simple but satisfying life style and in a low key but effective style of political leadership The interpretation offered here is not only historically accurate but also conveys the spiritual depth of the Tao Te Ching and its contemporary relevance The translation is made transparent by a design that presents all of the commentary on the page facing the relevant text

Yung Suk Kim, 2013-12-21 This book seeks comparative wisdom in the Tao Te Ching and the Bible For this purpose the Tao Te Ching is newly translated and commentated from a biblical scholar's perspective In doing so this book brings the Tao Te Ching into dialogue with the Bible with a focus on cross cultural wisdom and ethical mandates in both traditions

Walking the Tao William Martin, 2017-10-10 Lao Tzu's classic book The Tao Te Ching is one of the most translated books in the world William Martin one of today's foremost Taoist authors has added one more As he says I have translated and interpreted the Tao Te Ching for thirty years and I never tire of exploring its fathomless depths Recently I guided a

group of students from several different countries through an intensive email exploration of this classic book As part of that exploration titled Walking the Tao I wrote a new translation especially for these fellow travelers I wrote it from my current 2015 understanding and life situation and it emerged quickly and easily I meant it simply as a touch point for this small group of students However the feedback regarding this translation was so overwhelmingly positive that I have decided to incorporate it into a book Join him in this modern practical and inspirational Walk through the Tao Tao Te Ching Lao Tzu,2013-07-30 The classic Taoist text freshly translated using the original Chinese script from Lao Tzu s time and beautifully illustrated with seventeenth century artwork Renowned translator William Scott Wilson has rendered Lao Tzu s classic in the most authentic way possible using both the ancient text and the even older Great Seal script used during Lao Tzu s time The result is a new and nuanced translation accompanied by gorgeous Chinese ink paintings and fascinating ancillary material Wilson includes an introduction that tells the story of Lao Tzu the old man and the keeper of the archives and wonderful notes to illuminate the text He also includes two short essays one explains the relationship between Taoism and Zen and the other explores the roots that link the spiritual aspects of the Tao with the practice of Chinese and Japanese martial arts Wilson s version of this ancient classic is wonderfully fresh and readable The Tao Te Ching Laozi,2005 This Taoist text also contains a modern commentary and introduction to Taoism Tao - A New Way of Thinking Chung-yuan Chang,2013-12-21 This translation reveals the true wisdom and beauty of the Tao T Ching and the accompanying introduction and commentaries make its meaning accessible without any reduction of the complex thought within its pages Chung yuan Chang places the text in the context of Western metaphysics making reference to many Western philosophers

The Divine Feminine Tao Te Ching Rosemarie Anderson,2021-03-30 Restores the feminine essence of the Tao Te Ching as well as the simplicity and poetic undertones of the chapters Offers commentary for each of the 81 chapters and key Chinese characters to reveal their profound wisdom Translated from ancient silk and bamboo slip manuscripts the oldest known copies of the Tao Te Ching Paper with French flaps In this book Rosemarie Anderson shares her discoveries of the Divine Feminine Tao alongside her original translation of the Tao Te Ching Working from ancient silk and bamboo slip manuscripts the oldest known copies of the Tao Te Ching the author slowly translated all 81 chapters over the course of two years allowing each section to reveal its intimate poetic and spiritual nature To her surprise she discovered that the Tao was unmistakably feminine consistently referred to as mother virgin and the womb of creation Anderson explains how the Tao is a feminine force the Dark Womb of Creation the Immortal Void renewing life again and again in ordinary times and in times of crisis She offers commentary for each of the 81 chapters to help reveal their profound wisdom The author also restores the chapters simplicity and musical undertones explaining how in the original Chinese manuscripts the text is poetic and rhymed because the Tao Te Ching was often recited or sung yet most English translations are written in scholarly prose with long sentences and complex syntax She shows how the great Tao s message of wei wu wei act without acting and do without doing
