Tape For The Turn Of The Year A Poem:

Tape for the Turn of the Year A. R. Ammons, 1993 In the form of a journal covering the period December 6 1963 through January 10 1964 A R Ammons s long thin poem was written on a roll of adding machine tape then transferred foot by foot to manuscript He chose this method as a serious experiment in making a poem adapt to something outside itself The tape determined both the length of the poem's lines and when it ends Tape for the Turn of the Year is a poem of infinite variety blessed by the rich resources of one of this century s greatest poets By turns witty serious lyrical and meditative it is at once a superbly entertaining book and a significant literary achievement Tape for the Turn of the Year A. R. **The Complete Poems of A. R. Ammons** A. R. Ammons, 2018-12-18 One of the great American poets he Ammons.1965 sounds like nobody else Helen Vendler So I said I am Ezra and the wind whipped my throat gaming for the sounds of my voice So begins one of the most remarkable oeuvres in the history of American poetry The Complete Poems of A R Ammons Volume I presents the first half of Archie Randolph Ammons s long career including the complete texts of his three book length poems from that period the verse diary Tape for the Turn of the Year the Bollingen Prize winning Sphere The Form of a Motion and the daring kaleidoscope of The Snow Poems which late in life Ammons said of all his long poems was his favorite Here are many of Ammons s most widely celebrated lyrics and meditations including Corsons Inlet Still Gravelly Run and The City Limits Others are more directly inspired by his roots in the rural south among them Nelly Myers Silver and Mule Song Here too are conversations with mountains as in Classic and Mountain Talk and exchanges with the wind The Wide Land and Mansion materialist explanations of reality Mechanism and Catalyst and prayers such as the several poems titled Hymn A poet drawn to theorizing about poetry Ammons offers both sophisticated discussions of the art as in Poetics and Essay on Poetics and disarming assurance I believe in fun The text of each poem has been established after careful consideration of Ammons s manuscripts and other prepublication materials Endnotes detail the poems composition and publication histories and also helpfully annotate references made within the poems This volume confirms Richard Howard s judgment Here was a great poet surely one of the largest to speak among us A New Literary History of America Greil Marcus, Werner Sollors, 2010-01-23 America is a nation making itself up as it goes along a story of discovery and invention unfolding in speeches and images letters and poetry unprecedented feats of scholarship and imagination In more than 200 original essays this history brings together the nation s many voices Rigor of Beauty Ian D. Copestake, 2004 William Carlos Williams is widely acknowledged to be among the most important American poets of the twentieth century This collection includes sixteen new essays from many of the world's leading authorities on Williams and is published to commemorate the fortieth anniversary of his death in 1963 The volume contains fresh assessments of the nature and extent of Williams s profound and enduring impact on contemporary American poetic traditions while providing a platform for appraising the neglected achievement of Williams as a writer of fiction and short stories In doing so these and other essays

highlight the nature and importance of Williams s relationship to working class life in twentieth century America Additionally the volume groups together studies focusing on the enduring legacy of Williams s long poem Paterson and essays which revise Williams s perceived neglect of African American and Native American culture and history Brenda Is in the Room & Other Poems Craig Morgan Teicher, 2011-05-18 The winner of the 2007 Colorado Prize for Poetry this is a beautiful and original work that appears to be on first impression a light hearted and amusingly self conscious account of daily life but reminds us that our mundane lives are utterly strange and magical Sustainable Poetry Leonard M. Scigaj, 2021-12-15 Focusing on the work of A R Ammons Wendell Berry W S Merwin and Gary Snyder author Leonard Scigaj shows that just as a sustainable society does not depreciate its resource base so a sustainable poetry does not restrict interest to language Over the past thirty years many poets have shown an increasing sensitivity to ecological thinking But critics trained in poststructuralist language theory often fail to explore the substance of ecopoetry Scigaj is the first to define ecopoetry as separate and distinct from nature or environmental poetry marked by its concern with balancing the interests of human beings with the needs of nature Just as science learned that the earth was not the center of the universe ecopoetry insists on the recognition that humans are not at the center of the natural world **Poetry and Revelation** Kevin Hart, 2017-04-20 Religious poetry has often been regarded as minor poetry and dismissed in large part because poetry is taken to require direct experience whereas religious poetry is taken to be based on faith that is on second or third hand experience The best methods of thinking about experience are given to us by phenomenology Poetry and Revelation is the first study of religious poetry through a phenomenological lens one that works with the distinction between manifestation in which everything is made manifest and revelation in which the mystery is re veiled as well as revealed Providing a phenomenological investigation of a wide range of religious poems some medieval some modern some written in English others written in European languages some from America some from Britain and some from Australia Kevin Hart provides a unique new way of thinking about religious poetry and the nature of revelation itself **Complexities of Motion** Steven P. Schneider, 1999 This volume gathers new essays on A R Ammons s long poems by many of the most influential critics of contemporary American poetry including Helen Vendler Marjorie Perloff and Willard Spiegelman It will serve for years to come as an important critical text on a vast body of work by one of the most prolific and innovative practitioners of the long poem in post World War II American poetry Complexities of Motion then is a collection of new critical articles on the entire range of Ammons s longer poems beginning with Tape for the Turn of the Year 1965 and culminating with Glare 1997 Writing in Real Time Paul Jaussen, 2017-07-03 From Walt Whitman to the contemporary period the long poem has been one of the more dynamic intricate and yet challenging literary practices of modernity Addressing those challenges Writing in Real Time combines systems theory literary history and recent debates in poetics to interpret a broad range of American long poems as emergent systems capable of adaptation and transformation in response to environmental change Due to these emergent

properties the long poem performs essential cultural work offering a unique experience of history that remains valuable for our rapidly transforming digital age Moving across a broad range of literary and theoretical texts Writing in Real Time demonstrates that the study of emergence can enhance literary scholarship just as literature provides unique insights into emergent properties making this book a key resource for scholars graduate students and undergraduate students alike
