Targeted Credit Programs and Rural Poverty in Bangladesh Shahidur R. Khandker, Osman H.

Chowdhury, 1996-01-01 World Bank Discussion Paper No 347 Describes the elements of health reform in Sierra Leone as the West African nation attempts to overhaul its health system and focus it on the neediest populations To highlight the role of key stakeholders the study reviews the actions proposed and taken for reforming a package of health services organizing the provision of those services and financing the health sector The paper also identifies factors critical for success and concludes with an assessment of future prospects for reform of this crucial sector *Priorities and Strategies in Rural Poverty*

Reduction Diana Alarcón González, 2004 **Sustainability of a Government Targeted Credit Program** Shahidur R.

Khandker, Zahed H. Khan, M. A. Baqui Khalily, 1995-01-01 World Bank Technical Paper No 304 Reviews the status and availability in developing countries of photovoltaic PV technology and looks at the prospects for using this technology in light of current energy use and costs of other energy sources The report provides the necessary background information and highlights the questions raised and the calculations that must be made whenever PV applications are being considered in the developing world *Reducing Rural Poverty in Asia* Nurul Islam, 2024-11-01 Fight rural poverty through the creation of

significant policy mechanisms microenterprises and employment programs The majority of the world's poor live in Asia and most of these live in rural areas These areas are also infamous for the food insecurity and malnutrition associated with poverty Making even a modest dent in rural Asian poverty has the potential to realize large gains in global human development Reducing Rural Poverty in Asia provides evidence based guidelines for policymakers in developing countries for researchers focusing on development problems and for the international development assistance community in the continuing search for ways to effectively reduce poverty in the developing world Detailed examinations are clearly presented on the efforts for poverty alleviation through microenterprise development and rural public employment programs that focus on public works and household small scale industries Asia based case studies of various microenterprises and rural public employment projects reveal important policy mechanisms and the effectiveness of each poverty reduction measure Tables figures and relevant glossaries make unfamiliar terms and difficult information easy to understand Part I of Reducing Rural Poverty in Asia presents a framework for the analysis of rural microenterprises with a focus on microfinance highlights the main findings of country specific case studies suggests guidelines for an appropriate strategy for the provision of microfinance to reach the poor alleviate poverty and create financial stability analyzes the issues relating to public wage employment schemes and the principal findings of the case studies draws policy conclusions for the formulation of effective public employment schemes Part II of Reducing Rural Poverty in Asia presents case studies conducted in India Bangladesh and the Philippines along with revealing conclusions These studies include the SIDBI Foundation for Micro Credit in India including the continuing problem of the exclusion of the poorest the Maharashtra Rural Credit Project in India and

concerns about the sustainability of the financial infrastructure the Small Enterprises Development Project in Bangladesh and the high rate of return on capital from financed enterprises the successes of the Grameen Uddog Agrani Bank Micro Enterprise Development Unit MEDU and Kishoreganj Community Based Projects in Bangladesh the income stabilizing role of the Employment Guarantee Scheme in Maharashtra India guidelines for the Public Works Employment policy and implementation in the Philippines Reducing Rural Poverty in Asia is a concise overview of the crucial research undertaken at the request of the International Fund for Agricultural Development IFAD and makes this a vital resource for researchers educators students policymakers and development experts working towards the goal of poverty reduction Microcredit and Poverty Alleviation Tazul Islam, 2016-04-22 The attempt of the Grameen Bank to alleviate poverty and enhance the skills and productivity of its rural women clients provides the fascinating backdrop to this important study of micro credit institutions Tazul Islam examines the real extent to which the Grameen Bank's credit alone policy has been successful in securing the Bank's financial sustainability its practical role in alleviating poverty and its actual impact on the productivity of its clients This book concludes by considering alternative policy options that hold out the possibility of increased poverty alleviation Poverty, Social Services, and Safety Nets in Vietnam Nicholas M. Prescott, 1997-01-01 World Bank Discussion Paper No 374 China's far ranging program of macroeconomic reform affects monetary financial fiscal and exchange rate policies as well as institution building This book contains papers produced from 1992 to 1994 by China's Department of Macroeconomic Regulation Studies DMRS under the direction of the System Restructuring Commission These include reports and essays on Chinese macroeconomic policy and reforms carried out or led by the DMRS reflecting the key issues and debates of this period The papers provide a history of the departments work corrects some misunderstandings and constitutes a record of experiences that may be useful for future studies on economic reform and policy initiatives **The Regulation of Non-bank Financial Institutions** Anjali Kumar, Terry M. Chuppe, Paula Perttunen, 1997 World Bank Discussion Paper No 362 There has been tremendous growth worldwide in the mobilization of financial resources outside traditional banking systems Channeled mainly through capital markets such rapid financial diversification is posing new challenges for regulators in many emerging markets This document describes the various aspects and implications of this growth reviews the regulatory framework adopted in some mature market economies including the United States and the European Union and discusses regulatory issues in emerging markets **Market-based Instruments for Environmental Policymaking in Latin America and the Caribbean** Richard M. Huber, H. Jack Ruitenbeek, Ronaldo Seroa da Motta, 1998 To preserve the environment with the lowest possible cost to the social sector means that private costs should be aligned with social costs Many governments in the Latin American and Caribbean Region are doing this now using market based instruments MBIs This publication investigates the use of MBIs in the Latin America and the Caribbean LAC context The investigation covers a sample of eleven countries in the region and a cross section of environmental issues in an urban

setting **Financial Incentives for Renewable Energy Development** ,1998-01-01 The World Bank is providing assistance to the Government of China to help develop recommendations for changes to China's present system of financial incentives for commercial renewable energy development This book reports on a Bank workshop that examined international experience with financial incentives for grid connected wind power systems and off grid photovoltaic systems in the United Kingdom Germany the Netherlands Denmark the United States California India and China The collective experiences of the countries were further examined to indicate other directions for developing financial incentives for market based renewable energy development as well as the underlying reasons for these tendencies Preventing Banking Sector Distress and Crises in Latin America Suman K. Bery,Valeriano F. García,1997-01-01 World Bank Technical Paper No 361 Education has emerged as an essential component of the transition to a market economy in Central and Eastern Europe Although the countries of the region inherited broadly accessible education systems the legacies of central planning have constrained the systems from fully adjusting to market economies This study examines empirical trends in access to and financing of education in nine Central and East European countries by drawing on the findings of a World Bank project that examined the social risks facing people and the policy responses taken by governments since 1989 Chapters address access and participation the labor market financing and staff in the education sector China Shiwei Shao,1997 Based on a report by a World Bank task force this book provides a candid assessment of the Bank's operations in Sub Saharan Africa The book examines how the Bank can strengthen its operational response to poverty and improve food security recommends improvements and innovative approaches to poverty reduction and discusses ways of strengthening and making further use of regional initiatives Although the report identifies improvements in the work on poverty reduction that have taken place since 1995 it finds that much remains to be done On average 45 to 50 percent of Sub Saharan Africans live below the poverty line a much higher proportion than any other region of the world except South Asia The commitment of governments to poverty reduction is usually weak only about 12 African governments have such a commitment Economic growth rates are generally far too low to reduce poverty significantly growth rates of 6.5 percent per year are required for countries in this region to reduce poverty at an acceptable rate The World Bank's lending has emphasized growth focusing almost 58 percent of its assistance to the region on creating the mechanisms for growth through policy change and large scale investments The World Bank's focus on poverty reduction in programming and lending must intensify in all its operational work All development partners should establish stronger collaboration in planning their assistance programs Developing the Nonfarm Sector in Bangladesh Shahid Yusuf,Praveen Kumar,1996-01-01 IFC Discussion Paper No 30 Draws on a case study of a cement plant in Estonia to compare the private costs of curbing pollution with the social benefits that may accrue to the population The study concludes that the social benefits exceed private costs by a margin that sufficiently justifies the environmental investment **Land Reform in Ukraine** Csaba Csáki,Zvi Lerman,1997-01-01 This study summarizes the

first five years 1991-96 of agrarian reforms in Ukraine presenting the results of a farm level survey conducted in 11 provinces between January and March 1996 The findings show that the growth of private farming has slowed down

Land Reform and Farm Restructuring in Moldova Zvi Lerman, Csaba Csáki, Victor Moroz, 1998-01-01 Agricultural reforms including privatization of land and farm restructuring are an important cornerstone for overall transformation of the economies of the former socialist world This paper summarizes the current status of land reform in Moldova and shows how there has been clear progress in creating a market based agriculture and food sector in Moldova The results of this study indicate that genuine restructuring and transition to full fledged private farming have resulted in improved profitability and higher incomes for private farmers than those achieved by traditional collectives

The Demand for Oil Products in Developing Countries Dermot Gately, Shane S. Streifel, 1997-01-01 World Bank Discussion Paper No 354 Promoting a high savings rate is high on the World Bank's agenda for promoting national income growth This study surveys broad saving trends worldwide summarizes current knowledge about savings and consumption identifies main unresolved issues and outlines the major policy questions to be researched The paper includes case studies from Sub-Saharan Africa China Colombia India Mexico and Pakistan

China's Non-bank Financial Institutions Anjali Kumar, 1997-01-01 Spanish excerpts from World Bank Technical Paper No 280 English Stock no 13206

School Enrollment Decline in Sub-Saharan Africa Joseph W. B. Bredie, Girindre K. Beeharry, 1998-01-01 The overarching objective of the World Bank's assistance to Sub-Saharan African countries is poverty reduction through sustained economic growth at a high level and improved social services Past experience shows that a minimum level of educational attainment has been a prerequisite for the success of such a strategy The current level of education development has been low and the development of primary education has stagnated and even declined in some countries since the early 1980s This paper examines the likely causes for deteriorating enrollment rates in Africa It looks at the constraints in the demand for schooling and gives possible reasons for stagnation

A Guide to the World Bank, 2003 The World Bank Group works in more than 100 developing economies and is one of the world's largest sources of development assistance In 2002 the institution provided US 19.5 billion in loans to its client countries This guide reviews the organisation's history objectives and operations and looks at the five institutions that make up the World Bank Group the International Bank for Reconstruction and Development IBRD the International Development Association IDA the International Finance Corporation IFC the Multilateral Investment Guarantee Agency MIGA and the International Centre for Settlement of Investment Disputes ICSID

The Role of Family Planning and Targeted Credit Programs in Demographic Change in Bangladesh Shahidur R. Khandker, Muhammad Abdul Latif, 1996-01-01 FIAS Occasional Paper No 6 Examines and compares the recent experiences of a number of developing countries in encouraging backward linkages the purchasing of goods and services from locally owned suppliers by companies controlled by foreign firms The authors argue that economic liberalization helps rather than hurts domestic suppliers that institutional support

focusing on upgrading the capabilities of domestic suppliers is critical and that promotional programs combining public and private resources can accelerate linkage development **Structural Aspects of Manufacturing in Sub-Saharan Africa**

Tyler Biggs, Pradeep Srivastava, 1996-01-01 Urban Management Programme Paper No 20 Reviews the specific actions that municipalities and city governments may take in contributing to urban poverty reduction The paper highlights example of issues options and constraints that urban governments must address in fighting poverty It focuses on municipalities and other city level government entities as a critical institutional level of intervention Other language editions available French Stock No 13814 ISBN 0 8213 3814 5 Spanish Stock No 13813 ISBN 0 8213 3813 7

Targeted Credit Programs And Rural Poverty In Bangladesh Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Targeted Credit Programs And Rural Poverty In Bangladesh PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Targeted Credit Programs And Rural Poverty In Bangladesh PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Targeted Credit Programs And Rural Poverty In Bangladesh free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
