Tarnished Hearts:

Tarnished Hearts 36 ,1994-02-01 It's Not You Cara D. Smith,2021-08-26 Broody bad boy Ryan LeDoux is hotter than a Houston sidewalk in July And I m pretty sure he hates my guts My overprotective mother hates that I even know his name Any association with him might tarnish my reputation He s definitely not the kind of guy she keeps setting me up with in her ongoing effort to prevent her past from becoming my future She doesn t talk about it but I m pretty sure my father was a bad boy too But I ve never met him I ve resigned myself to being some guy s trophy wife And really it s the smart thing to do The safe thing But before that happens I want just one night with someone who makes me feel something Someone who will kiss me like I ve seen my friends husbands kiss them when they think no one will notice and who can t keep his hands off me someone like Ryan But not Ryan for obvious reasons Fate is funny sometimes though A work assignment puts me on a collision course with Mr LeDoux One on one I discover he s not who I thought he was And he doesn t hate me at all A fact that becomes painfully obvious when I finally work up the courage to approach him about that one night and he shoots me down Not because he s not interested but because one night wouldn t be enough And he doesn t think he s good enough for me Can I find the courage to live life on my own terms and go after what I really want **Right By You** Cara D.

Smith,2021-02-25 Leaving Gabe wasn t easy It s not that I don t love him anymore A look from him could still make me weak in the knees right up until the day we signed the divorce papers It turns out money really can t buy happiness especially not when all he ever does is work When things were good they were great especially when clothes started hitting the floor Things haven t been good for a long time though I had to do what was right for me If you love something let it go and all that I was prepared to never see him again until a mutual friend tracked me down with news that tested that resolve To prove to myself and everyone else that I m really over him I seek him out to give us both the closure we didn t get during our divorce But the fortress I built to protect my heart isn t as secure as I thought Our time apart has changed him Or maybe it was one of his friends forcibly removing his head from a place it didn t belong if you get my drift Either way the old Gabe my Gabe is back And I m starting to remember why I fell in love with him the first time Until an unsavory individual from his past resurfaces and things begin to unravel Do we get a second chance at happily ever after *Dare To Love* Cara D. Smith,2021-05-27

Austin Chambers fooled me into thinking he was everything I could possibly want in a man funny kind caring family oriented and extremely sexy But his attempt at humor left me hurt and angry I guess I have crummy taste in men and the horrible track record to prove it Which is why I swore off dating when I moved here to begin with I would be quite content never seeing Austin again but he s my new best friend s soon to be brother in law and they re close Avoiding him isn t easy since I haven t clued her into his idea of a joke but I do my best But my best isn t good enough since anger and hate are strong emotions Too much time in each other s company brings us to the boiling point and things get physical but not in the way I feared The best kiss I ve ever had leads to more a lot more And I can t quite bring myself to regret it That night changes

things It changes Austin He seems determined to make it up to me and instead of devolving into screaming matches we actually manage to communicate That spark between us that just won't die seems like it might become a flame Until I find out his friends dared him to prove he isn't allergic to commitment and I'm his unwitting victim How can I ever trust him again

I Kinda Do Cara D. Smith,2021-11-17 Mason Chambers is not just my billionaire boss He's also a single dad and someone I tentatively consider a friend The kind of friend I've harbored feelings for for years not that I'd admit that to anyone even myself Everything changes when his grandfather threatens his inheritance Mason proposes a fake relationship with an eventual trip down the aisle like it's nothing more than a business agreement I'd like to say I can't be bought but I'm in no position to turn him down Declining risks not only my job but my relationship with his daughter who I love like my own But pretending to be in love with him means playing with fire I guess I'll have to be careful As careful as I can be when I'm holding a match and he shows up with gasoline Our first date proves that he's as good at pretending as he is at running a company He breaks through the barriers I've built to protect myself with a look a smile and a kiss that convinces me to trust him with my body if not my heart It's only a matter of time before I give him that as well But can we convince those around us that a man of his background can love a woman like me or will their prejudices tear us apart

Blackhole King Part 1 Gopal Parthasarathy,2025-05-19 A Machine That Feels A Man Haunted by Time A Universe on the Edge The past is collapsing The future is unmade Across shattered timelines and forgotten Yugas a traveller burdened by guilt and a machine awakening to its own soul search for answers Through lost civilizations cosmic battlefields and black hole gateways they uncover secrets that were never meant to be found But the greatest threat is not war nor machines it is a truth hidden within the traveller's own past A breathtaking fusion of myth and science fiction BLACKHOLE KING PART I is a saga where fate technology and forgotten gods collide
