Tassajara Bread:

The Tassajara Bread Book Edward Espe Brown, 2009 A collection of bread and baked goods recipes from the Zen Mountain Center in Tassajara California White Bread Aaron Bobrow-Strain, 2012-03-06 The story of how white bread became white trash this social history shows how our relationship with the love it or hate it food staple reflects our country's changing values In the early twentieth century the factory baked loaf heralded a bright new future a world away from the hot dusty dirty bakeries run by immigrants Fortified with vitamins this bread was considered the original superfood and even marketed as patriotic while food reformers painted white bread as a symbol of all that was wrong with America So how did this icon of American progress become white trash In this lively history of bakers dietary crusaders and social reformers Aaron Bobrow Strain shows us that what we think about the humble puffy loaf says a lot about who we are and what we want our society to look like It teaches us that when Americans debate what one should eat they are also wrestling with larger questions of race class immigration and gender As Bobrow Strain traces the story of bread from the first factory loaf to the latest gourmet pain au levain he shows how efforts to champion good food reflect dreams of a better society even as they reinforce stark social hierarchies The history of America's love hate relationship with white bread reveals a lot about contemporary efforts to change the way we eat Today the alternative food movement favors foods deemed ethical and environmentally friendly and fluffy industrial loaves are about as far from slow local and organic as you can get Still the early twentieth century belief that getting people to eat a certain food could restore the nation's decaying physical moral and social fabric will sound surprisingly familiar Given that open disdain for unhealthy eaters and discrimination on the basis of eating habits grow increasingly acceptable *White Bread* is a timely and important examination of what we talk about when we talk about food *The Tassajara Bread and Goodie Cookbook* Edward Espe Brown, 1969 Recipes from the Gorge Ranch Robert Hogfoss, 2017-02-17 Our family has a small ranch on the north bank of the Columbia River inside the Columbia River Gorge National Scenic Area This book gathers some recipes that have proved to be perennial favorites at the ranch All of these recipes are easy to make and healthy for you using fresh local and organic ingredients Each recipe indicates the amount of time it takes from start to table and states the origin of the recipe and in some cases origin of the dish itself Each recipe comes with a bit of a story which is what eating with family and friends is all about So enjoy Give these recipes a try Then create your own new stories Rustic European Breads from Your Bread Machine Linda West Eckhardt, Diana Collingwood Butts, 2021-08-01 From the award winning authors of *Bread in Half the Time* comes a complete guide to making nearly 100 European style breads with the indispensable aid of your bread machine Nothing smells quite as wonderful as bread baking in the oven Nothing tastes quite as good as a thick slice of fresh warm homemade bread And nothing can be quite as intimidating or time consuming as mixing kneading raising and baking that bread until now With a bread machine to do all the hard work and experts Linda West Eckhardt and Diana Collingwood Butts as guides anyone can turn out a perfect

sourdough raisin pumpernickel focaccia or any other variety of classic European breads featured in this book The trick is to use the machine for what it does best mixing and kneading the dough that produces the loaves we all love so much After letting the dough rise in the machine you shape it by hand and bake it to perfection in the oven With *Rustic European Breads* from Your Bread Machine in hand every home cook can become a master baker Eckhardt and Butts provide not only an encyclopedic knowledge of their subject and foolproof step by step recipes but also limitless contagious enthusiasm Their clear and thorough explanations will turn every home kitchen into an aromatic appetite satisfying European bakery Linda Eckhardt and Diana Collingwood Butts authored *Bread in Half the Time* winner of the International Association of Culinary Professionals Award for Best Cookbook of the Year in 1991 Linda Eckhardt author of over a dozen cookbooks writes the monthly column What's for Dinner in *Cooking Light Magazine* and hosts a weekly program called Pie in the Sky on National Public Radio Diana Collingwood Butts is the proprietor of Sugarbakers a company that makes and sells designer cookies for special order
