Over the past three decades Jean Luc Nancy has become one of the most celebrated contemporary philosophers His remarkably diverse body of work which deals with such topics as post Heideggerian ontology Christian painting the experience of drunkenness heart transplants contemporary cinema and the problem of freedom is entirely immersed in modernity as he puts it Within this plural framework art which he explicitly defines as a modern construct plays a singular role in that it is the very prism through which he explores the problems of sense and feeling in general particularly as they relate to our experience of modernity The contributors to *Understanding Nancy Understanding Modernism* fully delve into the heretofore under acknowledged and under explored modernism of Nancy s writings on philosophy and the arts through close readings of his key works as well as broader essays on the relationship between his thought and aesthetic modernity In addition to an interview with Nancy himself a final section consists of an extended glossary of Nancy s signature terms which will be a valuable resource for students and experts alike *Death and the Moving Image* Michele Aaron, 2015-02-13

Massive Pissed Love Richard Hell,2015-10-01 A seminal collection of ruminations on art books and music by one of the sharpest minds and sensibilities in both punk rock and literature Richard Hell may best be known as a punk icon a founding member of seminal bands Television the Heartbreakers and The Voidoids but for decades he s been a prominent voice in American letters Through his novels *Go Now* and *Godlike* and his critically acclaimed autobiography *I Dreamed I Was a Very Clean Tramp* Hell has proven himself as a talented and insightful writer across many genres in many forms But one might argue that Richard s true genius lies in shorter form as a writer on culture

Love comes in spurts Hell once sang and that could well describe the intensity of his penetrating and wickedly droll criticism Massive Pissed Love is a collection of Hell's ruminations on art literature and music among other things that's like a candy box of reading treats a bag of shiny marbles a cabinet of mementos and uncanny fetishes However one thinks of it it's a joy to read from start to finish and a deeply necessary addition to the oeuvre of one of the sharpest minds and sensibilities at work today
