Kissinger and the Invasion of Cyprus William Mallinson,2016-08-17 Can Henry Kissinger be described as a serious statesman who altered the course of relations between states Or was he a shallow impersonator of those whom he admired and a geopolitical engineer who treated people as collateral fodder reducing morality to the status of a strategic and tactical tool Using the story of Kissinger s behaviour over Cyprus backed up by recently revealed government documents many critical William Mallinson former diplomat and leading authority on Cyprus history provides an incisive analysis and evaluation of Kissinger s approach revealing a man who appears to have considered political strategy more important than law and ethics **Heinz-Uwe Haus and Theatre Making in Cyprus and Greece** Heinz-Uwe Haus,Daniel

Meyer-Dinkgräfe,2021-08-25 This book presents to the reader a selection of the considerable amount of material written and published in relation to Heinz Uwe Haus s productions of Brecht s plays and Brechtian productions by other dramatists especially ancient Greek drama in Cyprus and Greece since his production of The Caucasian Chalk Circle marked the launch of the Cyprus National Theatre in 1975 after the country s political turmoil that had culminated in the Turkish invasion This includes material written by Haus at the time for his cast announcements of the productions in the media newspaper reviews and academic articles about the productions conference contributions and reflections by cast members both professional actors and university faculty and designers set costume light music His work in Cyprus and Greece led to further collaborations on productions of ancient Greek plays across the world Salamis of Cyprus Sabine Rogge,Christina Ioannou,Theodoros Mavrogiannis,2019 In May 2015 an international conference organised by the University of Cyprus and the Cypriot Department of Antiquities was held in Nicosia a conference which could well be called the largest ever symposium on ancient Salamis During the three day event some 60 scholars from many countries presented their current research on this

important and spectacular archaeological site on the east coast of the island of Cyprus Two generations of scholars met in Nicosia during the conference an older one whose relationship with ancient Salamis can be characterized as very direct since many representatives of that generation had actively participated in the extremely productive excavations at that spot until these activities came to an abrupt end in the summer of 1974 due to the Turkish invasion and a younger generation which is of course lacking this very direct contact The conference successfully connected the older with the younger generation and thus contributed to maintaining and renewing the interest in ancient Salamis This richly illustrated book compiles most of the lectures presented during the conference It might be regarded as a tribute to Salamis an outstanding ancient city which existed for more than one and a half millennia eventually under the name of Constantia *A Description of the Historic Monuments of Cyprus* George Jeffery, 1918 Long Shadows in Cyprus M.J.W. Cyprus and the Politics of Memory Rebecca Bryant, Yiannis Papadakis, 2012-06-20 The island of Cyprus has been bitterly divided for more than four decades One of the most divisive elements of the Cyprus conflict is the writing of its history a history called on by both communities to justify and explain their own notions of justice While for Greek Cypriots the history of Cyprus begins with ancient Greece for the Turkish Cypriot community the history of the island begins with the Ottoman conquest of 1571 The singular narratives both sides often employ to tell the story of the island are as this volume argues a means of continuing the battle which has torn the island apart and an obstacle to resolution Cyprus and the Politics of Memory re orientates history writing on Cyprus from a tool of division to a form of dialogue and explores a way forward for the future of conflict resolution in the region A History of the Orthodox Church of Cyprus from the Coming of the Apostles Paul and Barnabas to the Commencement of the British Occupation (A.
