Taste Of Metal A Deserters Story:

The Taste of Metal Jack Todd, 2001 On the Run Graeme Kent, 2013-07-30 There have been many books written about valour in battle This is not one of them On the contrary On the Run deals entirely with those men and women who have departed from life in the armed forces For as long as there have been wars there have been those who have fled from the cannon s roar In this fascinating and unique history of deserters and desertion Graeme Kent scours the annals of warfare to find those who for a multitude of often complex reasons have gone absent without leave Among their number are poets and pugilists thieves and thugs lovers and lunatics princes and politicians comedians and conspirators film stars and fanatics and even a pope all brought together by the simple fact that at one time or another they went on the run Covering thousands of years and spanning the globe this compelling book presents an extraordinary anecdotal history of perhaps the most controversial and emotive subject in war

Vietnam's Prodigal Heroes Paul Benedikt Glatz, 2021-01-12 Vietnam s Prodigal Heroes examines the critical role of desertion in the international Vietnam War debate Paul Benedikt Glatz traces American deserters odyssey of exile and activism in Europe Japan and North America to demonstrate how their speaking out and unprecedented levels of desertion in the US military changed the traditional image of the deserter

Unguarded Border Donald W. Maxwell, 2023-05-12 Unguarded Border tells the stories of the 50 000 Americans who fled across the border to Canada in the 1960s and 1970s a migrant experience that does not fit the usual paradigms Historian Donald W Maxwell explores how these Americans in exile forged cosmopolitan identities permanently changing perceptions of military service nation and citizenship

The Devil's Trick John Boyko, 2022-05-17 Forty five years after the fall of Saigon John Boyko brings to light the little known story of Canada s involvement in the American War in Vietnam Through the lens of six remarkable people some well known others obscure bestselling historian John Boyko recounts Canada s often overlooked involvement in that conflict as peacemaker combatant and provider of weapons and sanctuary When Brigadier General Sherwood Lett arrived in Vietnam over a decade before American troops he and the Canadians under his command risked their lives trying to enforce an unstable peace while questioning whether they were merely handmaidens to a new war As American battleships steamed across the Pacific Canadian diplomat Blair Seaborn was meeting secretly in Hanoi with North Vietnam s prime minister if American leaders accepted his roadmap to peace those ships could be turned around before war began Claire Culhane worked in a Canadian hospital in Vietnam and then returned home to implore Canadians to stop supporting what she deemed an immoral war Joe Erickson was among 30 000 young Americans who changed Canada by evading the draft and heading north Doug Carey was one of the 20 000 Canadians who enlisted with the American forces to serve in Vietnam Rebecca Trinh fled Saigon with her husband and young daughters joining the waves of desperate Indochinese refugees thousands of whom were to forge new lives in Canada Through these wide ranging and fascinating accounts Boyko exposes what he calls the Devil s wiliest trick convincing leaders that war is desirable persuading the public

that it is acceptable and telling combatants that the deeds they carry out and the horrors they experience are normal or at least necessary In uncovering Canada's side of the story Boyko reveals the many secret and forgotten ways that Canada not only fought the war but was forever shaped by its lessons and lies

The Big Empty Ladette Randolph, Nina Shevchuk-Murray, 2007-12-01 The gruesome story of the devastation of buffalo herds in the late nineteenth century has become uncomfortably familiar A less familiar story but a hopeful one for the future is Ken Zontek's account of Native peoples efforts to repopulate the Plains with a healthy viable bison population

War Is Here Robert McGill, 2017-09-01 Canada did not fight in the Vietnam War but the conflict seized the Canadian imagination with an energy that has persisted In War Is Here Robert McGill explains how the war contributed to a golden age for writing in Canada As authors addressed

the conflict they helped to construct an enduring myth of Canada as liberal hospitable and humanitarian For many writers the war was one that Canadians could and should fight against if not in person then on the page In this pioneering account of war related Canadian literature McGill observes how celebrated books of the era channel Vietnam sometimes in subtle but pervasive ways He examines authors attempts to educate their readers about American imperialism and Canadian complicity and he discusses how writers repeatedly used language evoking militarism and violence from the figure of the United States as a rapist to the notion of Canada as a peaceable kingdom in order to make Canadians feel more intensely about their country McGill also addresses the recent spate of prize winning Canadian novels about the war that have renewed Vietnam s resonance in the wake of twenty first century conflicts involving America War Is Here vividly revisits a galvanizing time in world history and Canadian life offering vital insights into the Vietnam War s influence on how people think about Canada its place in the world and the power of the written word to make a difference **Come from the Shadows** Terry Glavin,2011
