2 Corinthians John F. MacArthur, 2015-12-29 The apostle Paul wrote this intensely personal and biographical letter to defend his ministry and integrity against the slanderous attacks of false teachers and critics of the Christian movement After spending eighteen months in Corinth helping to establish a church the apostle Paul moved on in his mission to build more churches in Asia Minor But back in Corinth false teachers began to infiltrate the church and they were intent on ruining Paul s character and ministry This threatened to separate and create chaos among this once unified body Pastor John MacArthur will take you through the first letter to the church in Corinth to show how Paul deals firmly with the false teachers and their followers by focusing primarily on Christ while embracing his own weaknesses and imperfections As a powerful reminder for struggling and maligned believers everywhere Paul quotes the Savior My grace is sufficient for you for my strength is made perfect in weakness ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts

Domesticated Glory Gale Heide, 2010-09-01 Domesticated Glory critically examines the marriage between Evangelicalism and American politics The study begins by engaging popular political pundits who wish to transform Christianity into an arm of the state It then moves to examine some of the theological foundations proposed as support for the church s propping up of American political ideology Finally the study provides a more robust politics of the church by outlining how the church might act as a politics in itself Thus the church may gain a political voice as church in such a way as to make the world know it stands in need of redemption This is a far cry from the liberal attempt of the Social Gospel and many modern evangelicals to transform the world into a pseudo church by cultural or social control Unlike attempts to engage culture on its own terms in the political arena or to escape politics by avoiding any public testimony to the Gospel this study lays out a way for the church to act as church in the public square witnessing to a Gospel concerned primarily about the universe s King and His future Kingdom **Forthcoming Books** Rose Arny, 1992 Biblical Counsel, 1993 Joshua, Judges, and Ruth John F. MacArthur, 2016-03-29 It took more than forty years of wandering but finally the nation of Israel was ready to enter the land that God had promised them However they knew that arriving at the borders was just the beginning for many battles and many foes still lay ahead Yet as Joshua reminded them they also knew that the Lord had promised to fight all their battles and defeat their foes through His power and not their own In this study pastor John MacArthur will guide you through an in depth look at the Israelites conquest of the Promised Land beginning with the miraculous parting of the Jordan River continuing through the victories and setbacks as the people settled into Canaan and concluding with the time of the judges Studies include close up examinations of Rahab Ruth and Samson as well as careful considerations of doctrinal themes such as The Sin of Achan and the role of The Kinsman Redeemer ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing

These study guides part of a 16 volume set from noted Bible scholar John MacArthur take readers on a journey through biblical texts to discover what lies beneath the surface focusing on meaning and context and then reflecting on the explored passage or concept With probing questions that guide the reader toward application as well as ample space for journaling The MacArthur Bible Studies are an invaluable tool for Bible Students of all ages **American Crossroads** Jesse Wisnewski,2011-08-25 Should Christians be concerned with faith and evangelism and not political affairs In answering this question American Crossroads provides a thought provoking look at what it means to submit to the governing authorities of the United States of America Just as God called for Christians to submit to the Roman government that forced its will upon the people Rom 13 1 so too is God calling for us to submit to the existing form of government in the United States a government that lives and thrives upon the will and involvement of people Today by submitting to the government Christian citizens are led to influence the American political process that depends upon the involvement of all citizens for its well being and survival
