Gower's imaginative French poetry is now available in a new edition with facing page translation annotations and introduction. Gower's *Traite* employs the French poetic form of *balade* typically used for courtly verses to avow instead the virtues of loving marriage characteristic of Gower's signature moralizing. His *Cinkante Balades* confront the tradition of the French *Livre de Cent Balades* by describing the feelings of a young man towards his lady but eventually offering a praise of love insofar as it is subject to reason and morality. Together the two works offer an excellent introduction to the Anglo-Norman works of Gower and are perfect for classroom use.
